

DR. M.K.K. ARYA MODEL SCHOOL

***Reports of the activities
held during August 2024***

Havan Ceremony

August-2024

As part of its monthly ritual, Dr. M.K.K. Arya Model School organized a Havan Ceremony to invoke divine blessings for the well-being and academic success of students and staff.

The ceremony, attended by school authorities, faculty and students, created a serene and spiritual atmosphere, fostering positive energy and harmony within the school environment. This sacred event also emphasized the importance of Indian rituals and culture in daily life, instilling traditional values in the students.

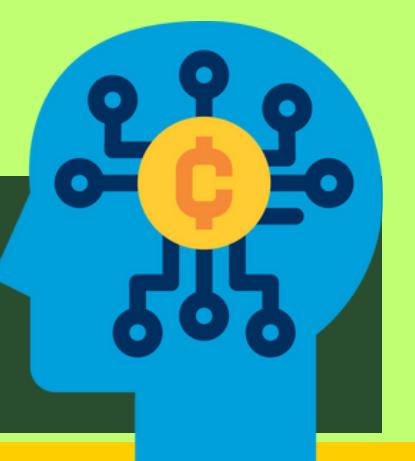

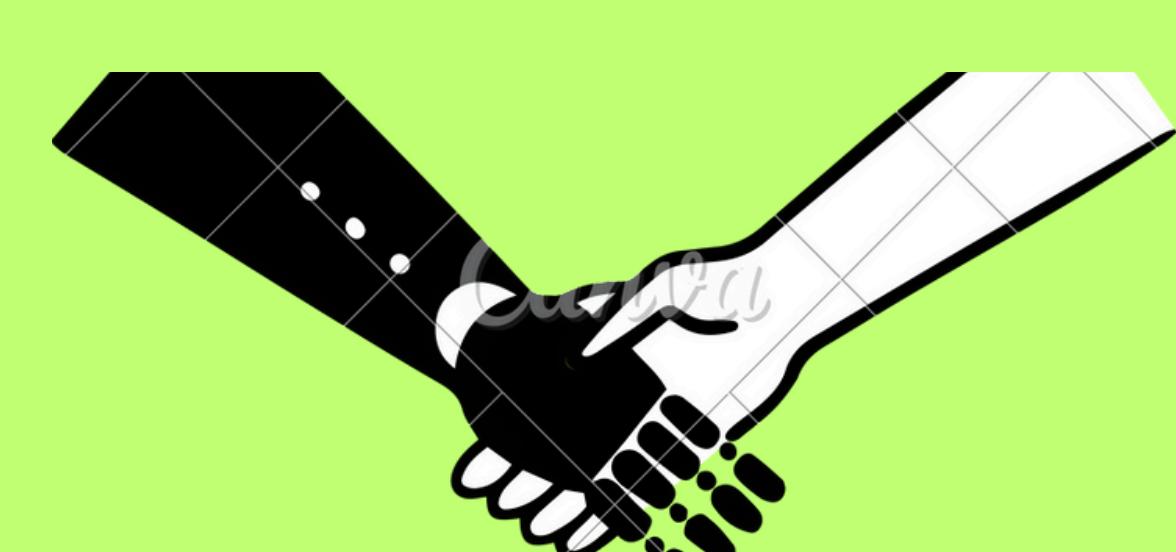

The ceremony concluded with the distribution of prasad, leaving everyone with a sense of peace and rejuvenation.

Science Debate: Can AI Replace Human Intelligence?

August 01, 2024 - Grades XI & XII

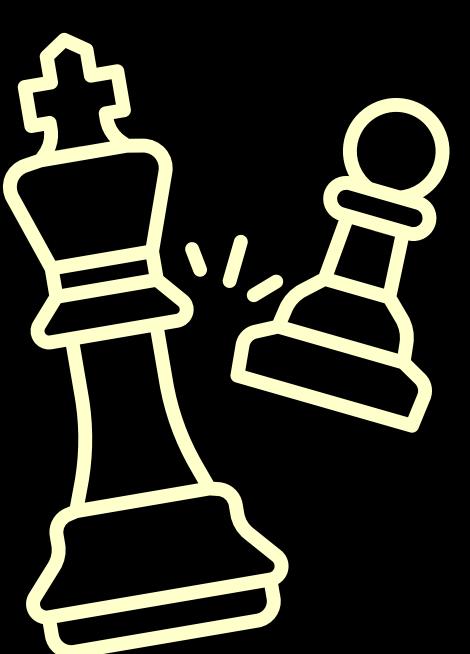

A thought-provoking science debate was conducted on August 1, 2024, for classes XI and XII, focusing on the topic "Can AI Replace Human Intelligence?" Students from both classes participated with enthusiasm, presenting well-researched and compelling arguments.

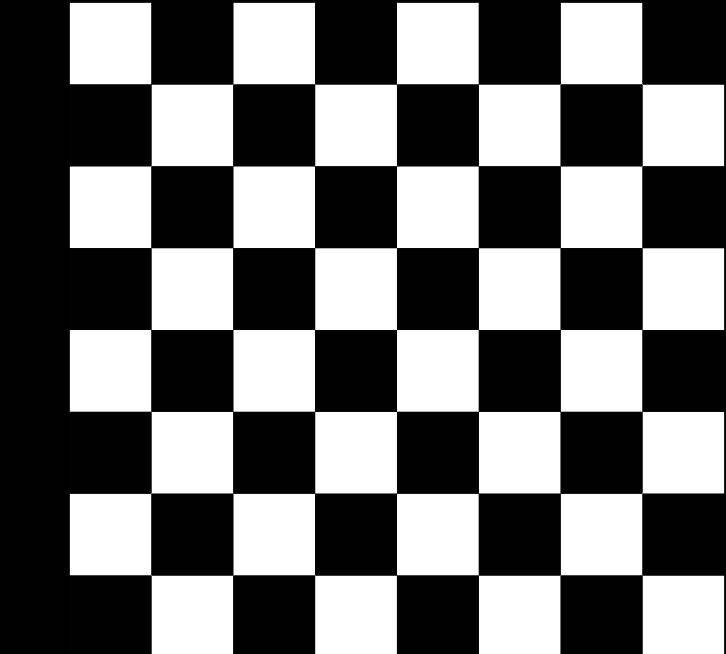

Proponents of AI argued that rapid advancements in technology allow AI systems to process vast amounts of data quickly and accurately, often outperforming humans in tasks such as data analysis, pattern recognition and decision-making.

The session concluded with a discussion on the potential for AI to augment rather than replace human intelligence, envisioning a future where both coexist and complement each other. The debate was a valuable exercise, encouraging critical thinking and a deeper understanding of AI's capabilities and limitations.

Opponents highlighted AI's limitations, emphasizing its reliance on the quality and scope of the data it is trained on. They argued that human intelligence includes emotional understanding, creativity and ethical decision-making that AI cannot fully replicate.

Inter House Chess Competition -

August 2-3, 2024- Grades IX to XII

The Sports faculty of school hosted an engaging Inter House Chess Competition, featuring the school's four houses—Aastha, Shakti, Nishtha and Ahimsa—across Under-14 and Under-17 categories for both boys and girls.

The Principal, Mr. Madhup Parasar inaugurated the event, emphasizing the cognitive benefits of chess.

The competition was marked by strategic play and enthusiastic participation.

Shakti House won the Under-17 Boys' and Under-14 Girls' categories, Aastha House triumphed in the Under-14 Boys' category and Ahimsa House topped the Under-17 Girls' category.

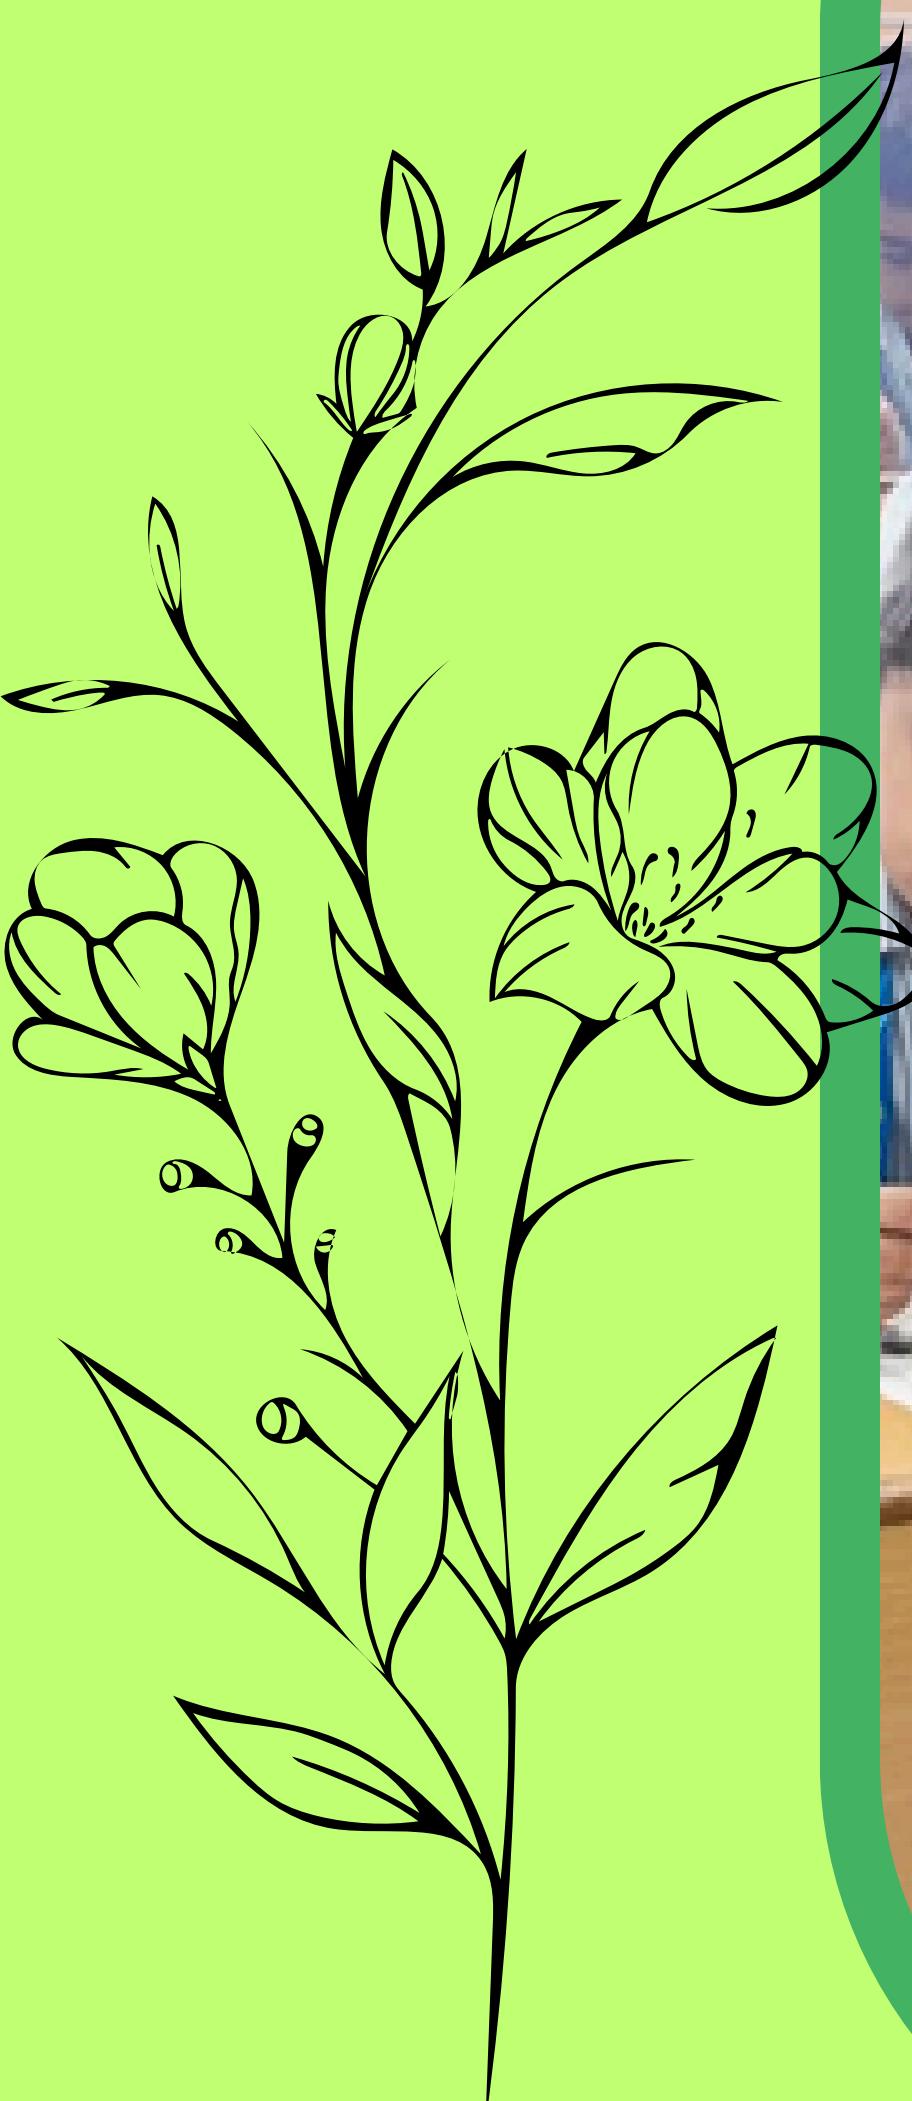

Techno Puzzle

August 3, 2024 - Grades I to III

The IT department organized an engaging and challenging activity, "Techno Puzzle," for students of Classes I to III on August 3, 2024.

The event was a pen-and-paper-based crossword puzzle competition designed to test the students' problem-solving skills, vocabulary and technological awareness. Students were provided with a worksheet containing the crossword puzzle grid and clues.

Participants were required to fill in the answers within the given time frame. The "Techno Puzzle" activity was a resounding success, achieving its objectives and providing a fun learning experience for the students.

The IT department plans to organize more such events to continue fostering technological awareness and skills among the students.

Reading Fun With Phonic Sounds

August 03, 2024 - Grades Nursery to LKG

An activity called "Picture Reading with Phonic Sounds" was conducted for Nursery and L.K.G. classes. Phonics is a system of reading that builds on the alphabetic principle. Phonics gives children the tools to read almost any word they come across by emphasizing the skill of blending sound patterns.

In this activity, the students learned to break words into their component sounds and use the correct letters to represent each sound. In this way, their vocabulary will expand further.

The teachers provided various flashcards, each containing alphabets with pictures.

The students were allowed to pick flashcards of their own choice and recognize the pictures along with their corresponding phonic sounds

The students participated with full enthusiasm, excited to pick the cards and demonstrate the sounds.

Go Green: Inspiring Environmental Awareness through Slogans in Our Classroom!

August 03, 2024 - Grades VII to X

In celebration of Van Mahotsav on August 3, 2024, our school hosted a "Go Green" Slogan Writing Activity to promote environmental awareness. This event encouraged students to creatively express their ideas on sustainability and the importance of greener practices, like reducing waste, conserving water and promoting recycling.

The activity successfully engaged students and underscored the significance of environmental conservation.

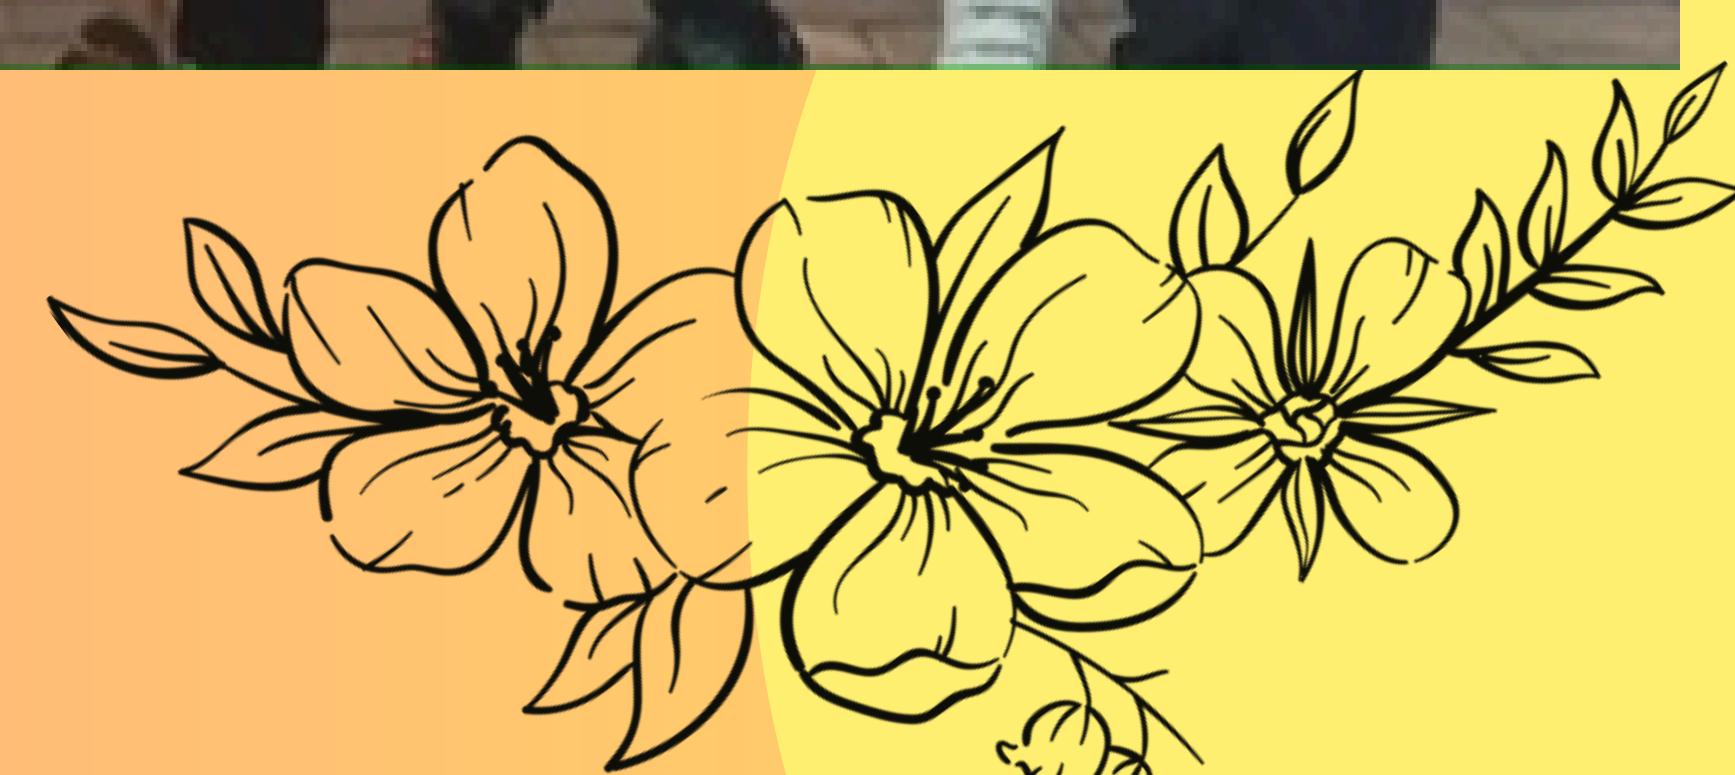

A Day of Adventure and Learning at KidZania

August 3, 2024 - Grades IV to VIII

Students of classes IV to VIII embarked on a fun-filled and educational excursion to KidZania, Noida, where they explored a world of opportunities in a unique and engaging way. The trip blended adventure with learning, as students transformed into tiny adults, trying their hands at various professions such as doctors, chefs, artists and firefighters.

This immersive experience allowed the students to explore different career paths in a realistic setting, making learning an exciting adventure. Laughter and camaraderie filled the day, creating memories that will last a lifetime. The excursion highlighted the school's dedication to holistic education, offering students enriching experiences that extend beyond the classroom.

Event Participation - August 05, 2024

"Rashtra ki Shaan - Yuva" Youth Conference organized by the Brahmakumaris at the Gyan Mansarovar Retreat Centre

Students attended the "Rashtra ki Shaan - Yuva" Youth Conference organized by the Brahma Kumaris at the Gyan Mansarovar Retreat Centre (Academy for Holistic Excellence) on August 5, 2024. This event celebrated International Youth Day and focused on the theme "Pride of the Nation - Youth."

Our students benefited from the insights and expertise shared by national-level faculty, which enhanced their understanding of youth empowerment.

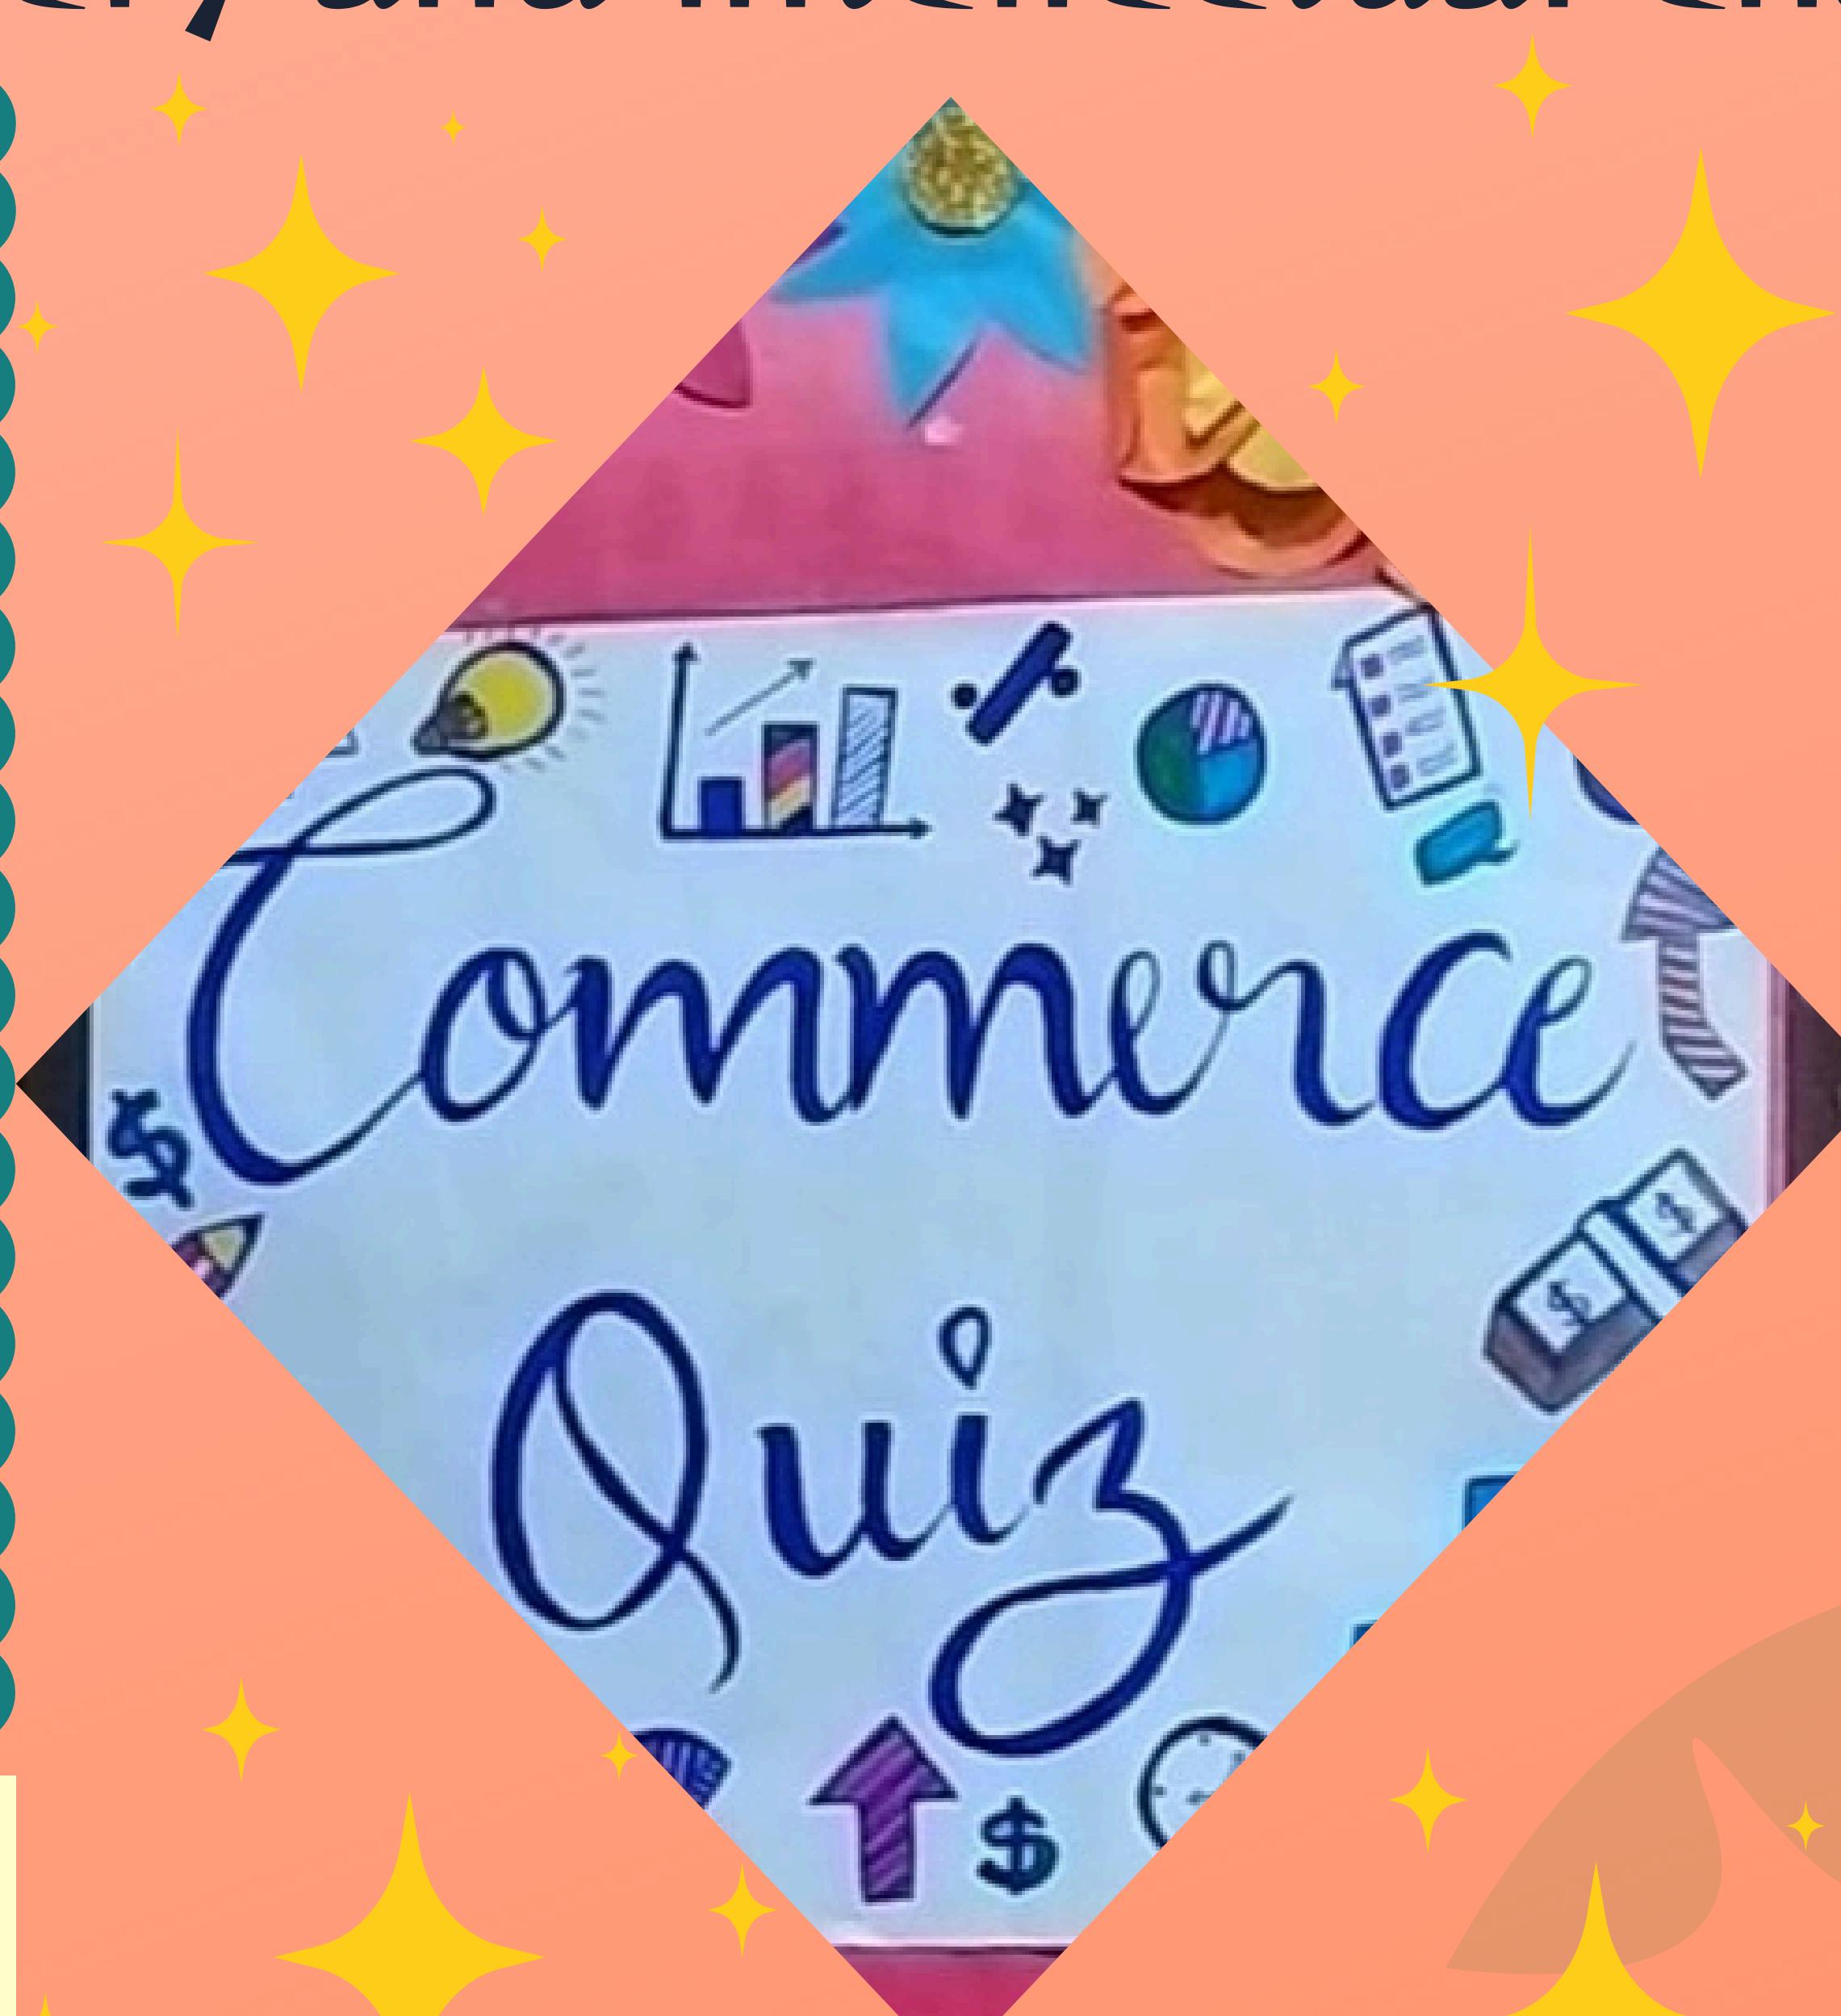

Inter-House Commerce Quiz: A Journey of Discovery and Intellectual Challenge

August 6, 2024 - Grades XI & XII

"A quiz is not just a test of knowledge, but a journey of discovery and intellectual challenge."

The Inter-House Commerce Quiz for classes XI and XII was held on August 6, 2024 with enthusiastic participation from the four houses—Shakti, Aastha, Nishtha and Ahimsa. The event was marked by a strong display of knowledge and competitive spirit.

Shakti House and Aastha House jointly secured the first position, demonstrating exceptional performance and teamwork. The quiz witnessed active participation and keen interest from the students, making it a memorable event.

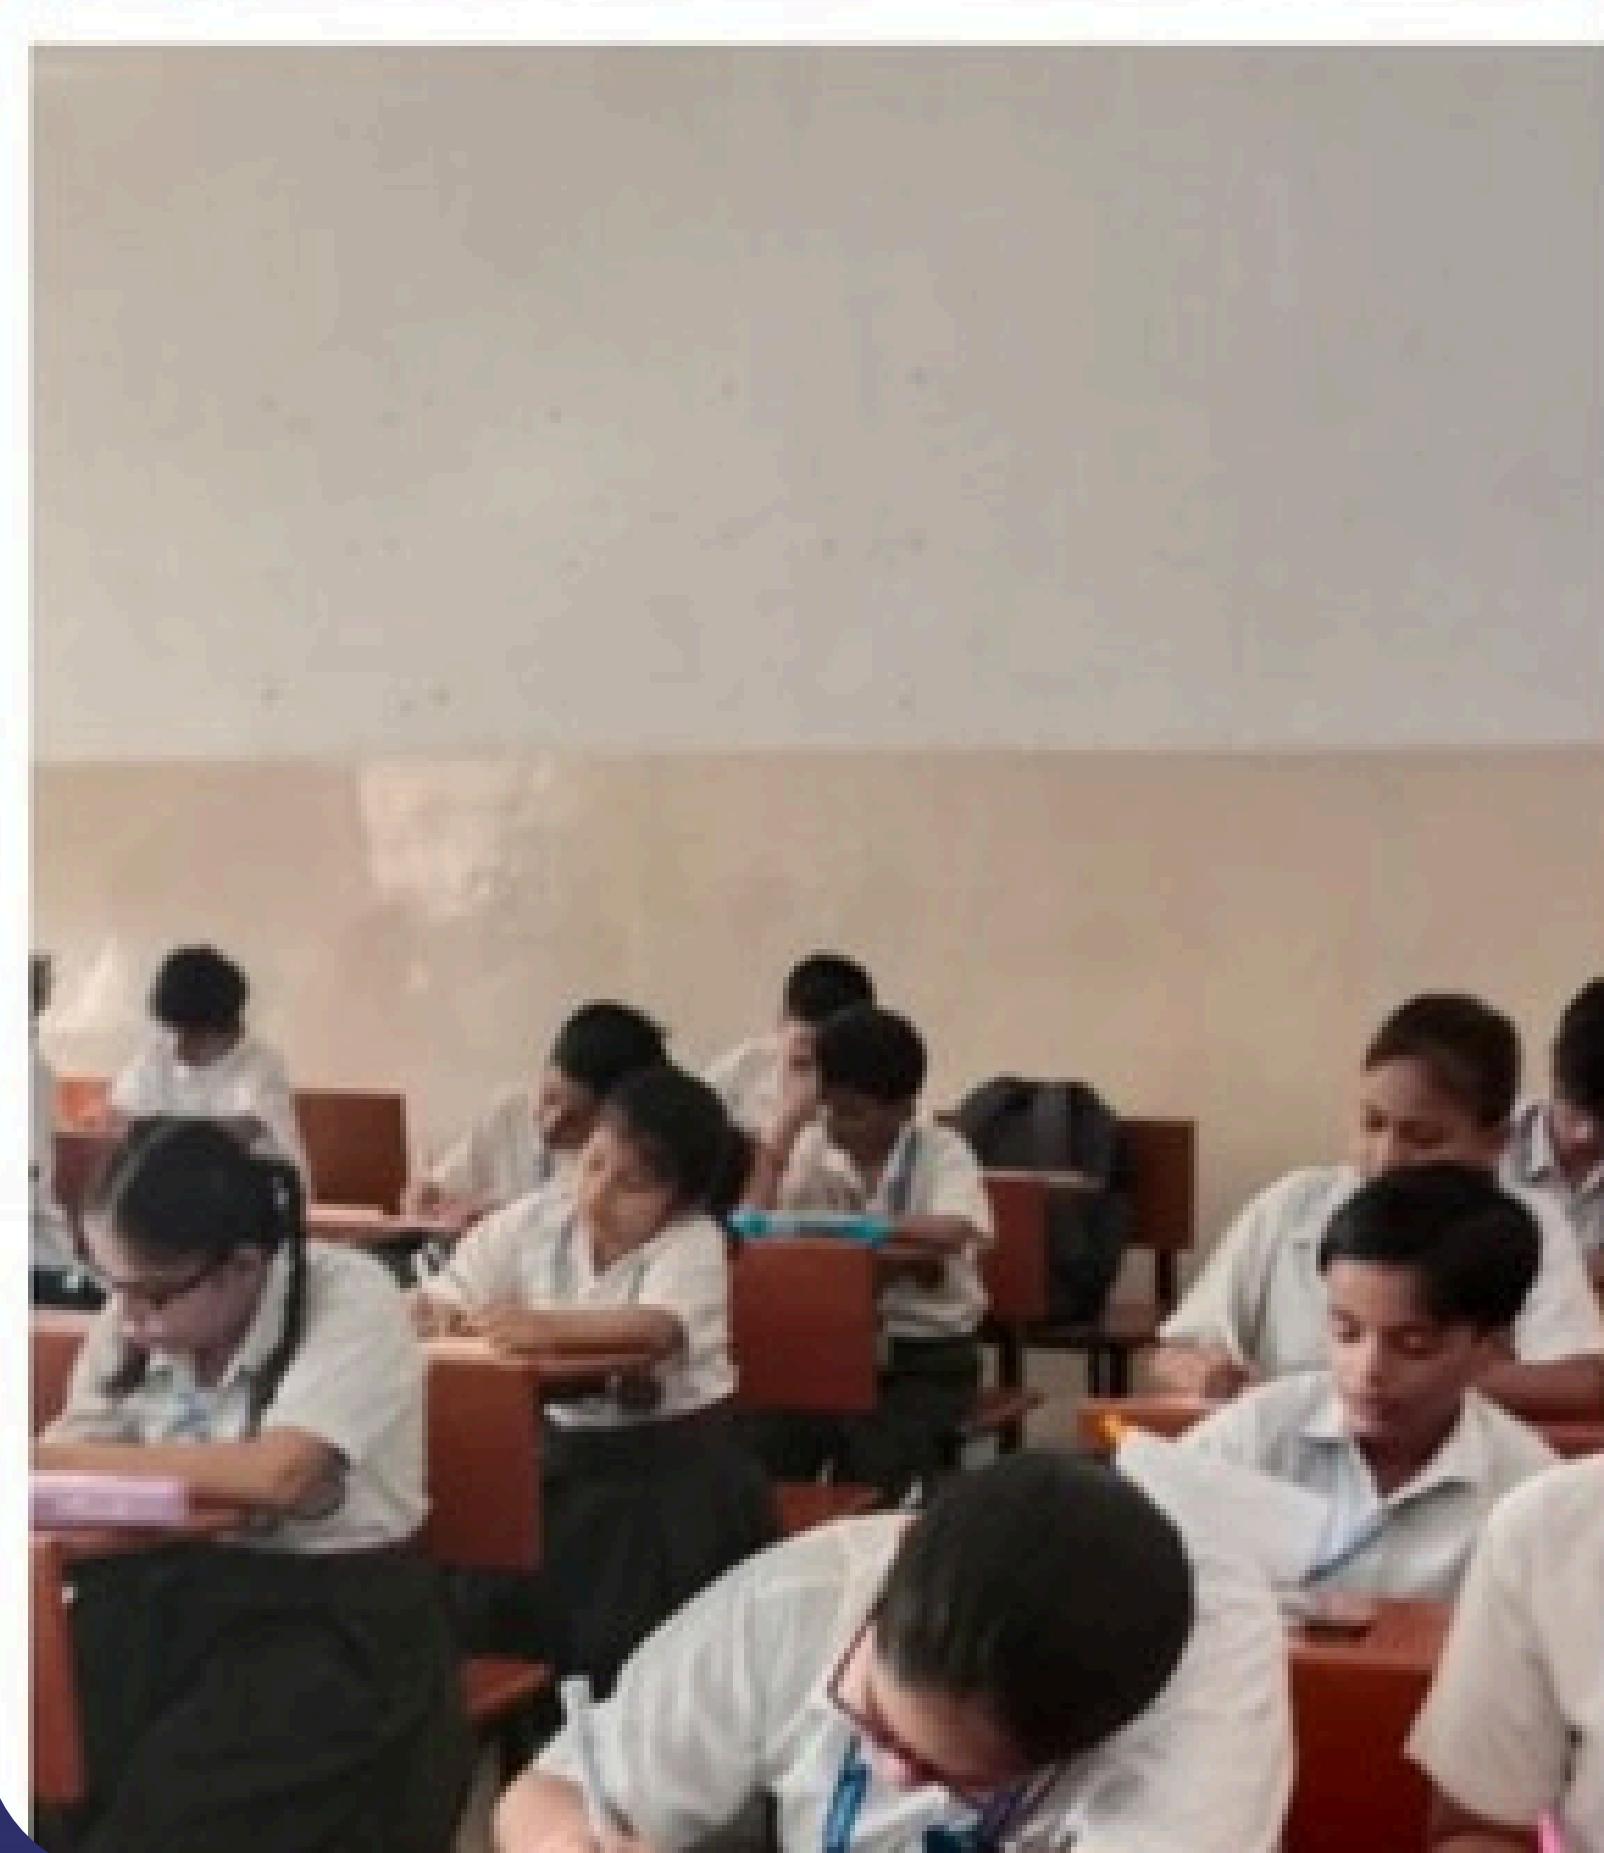

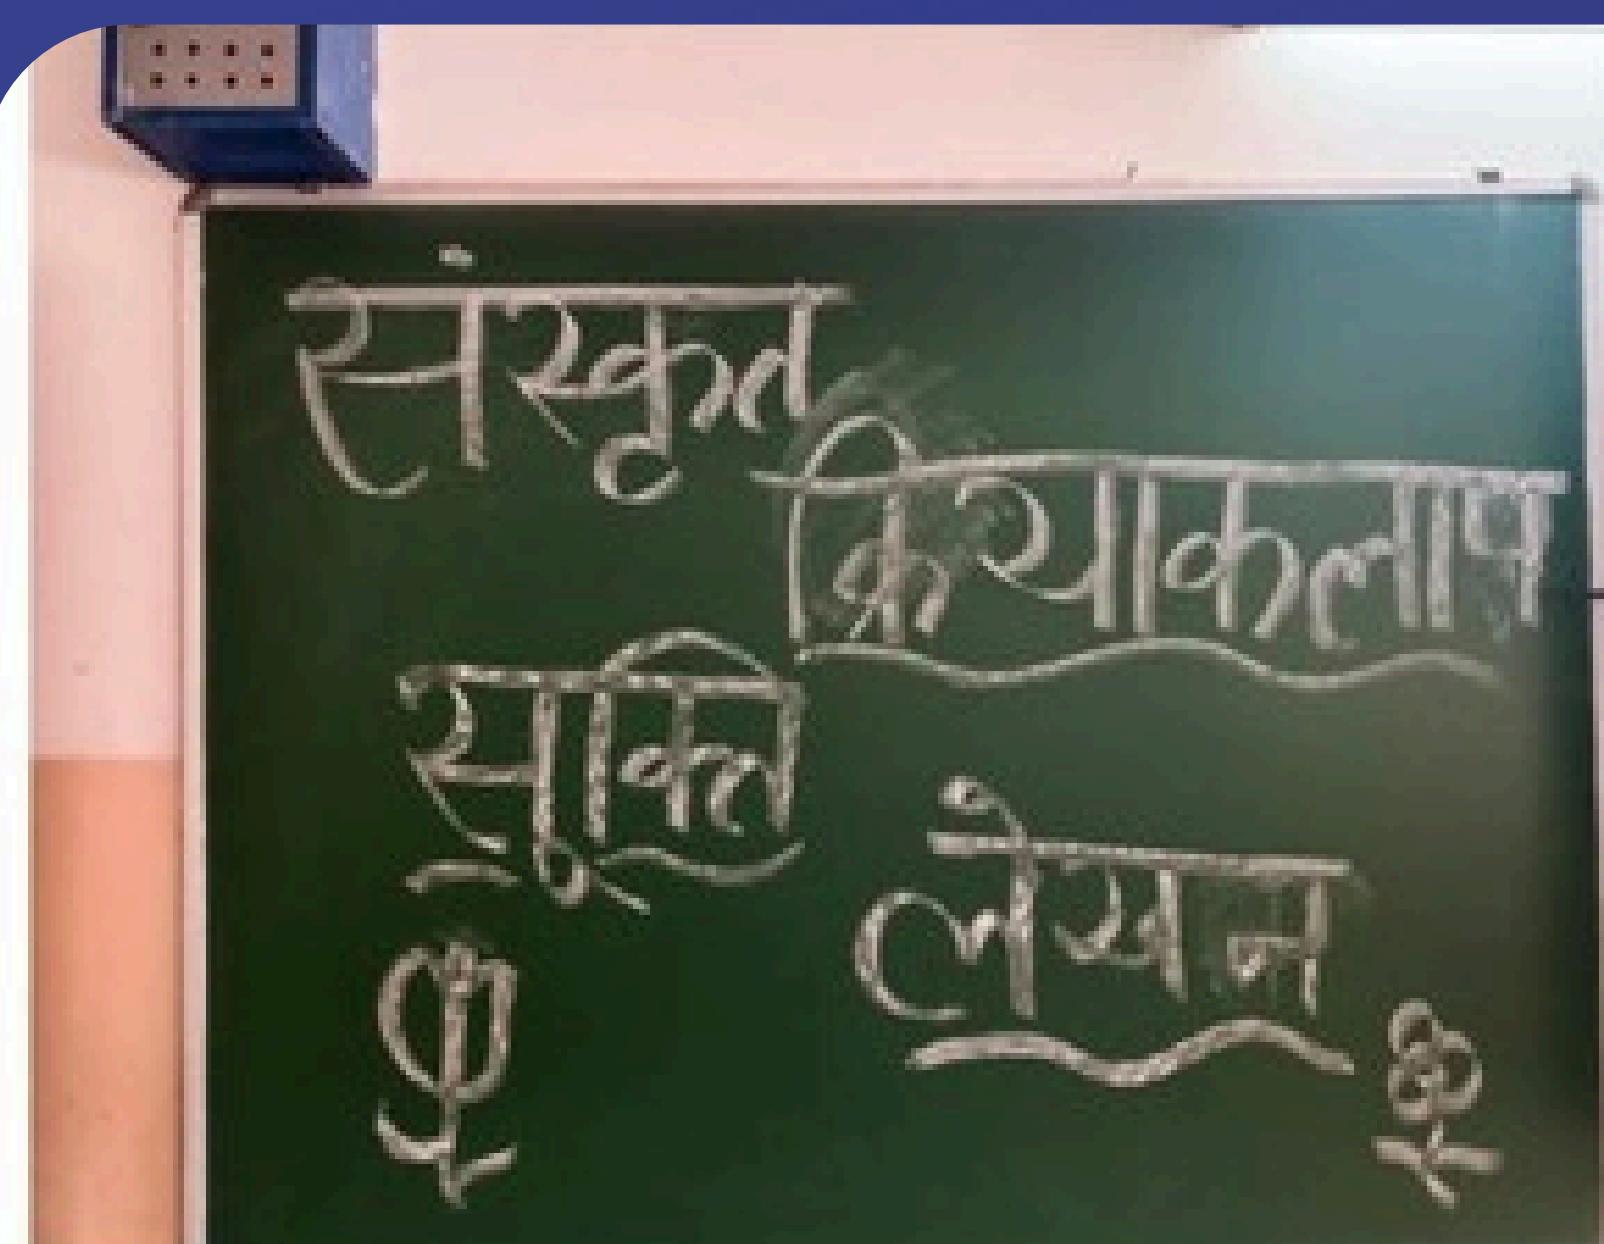

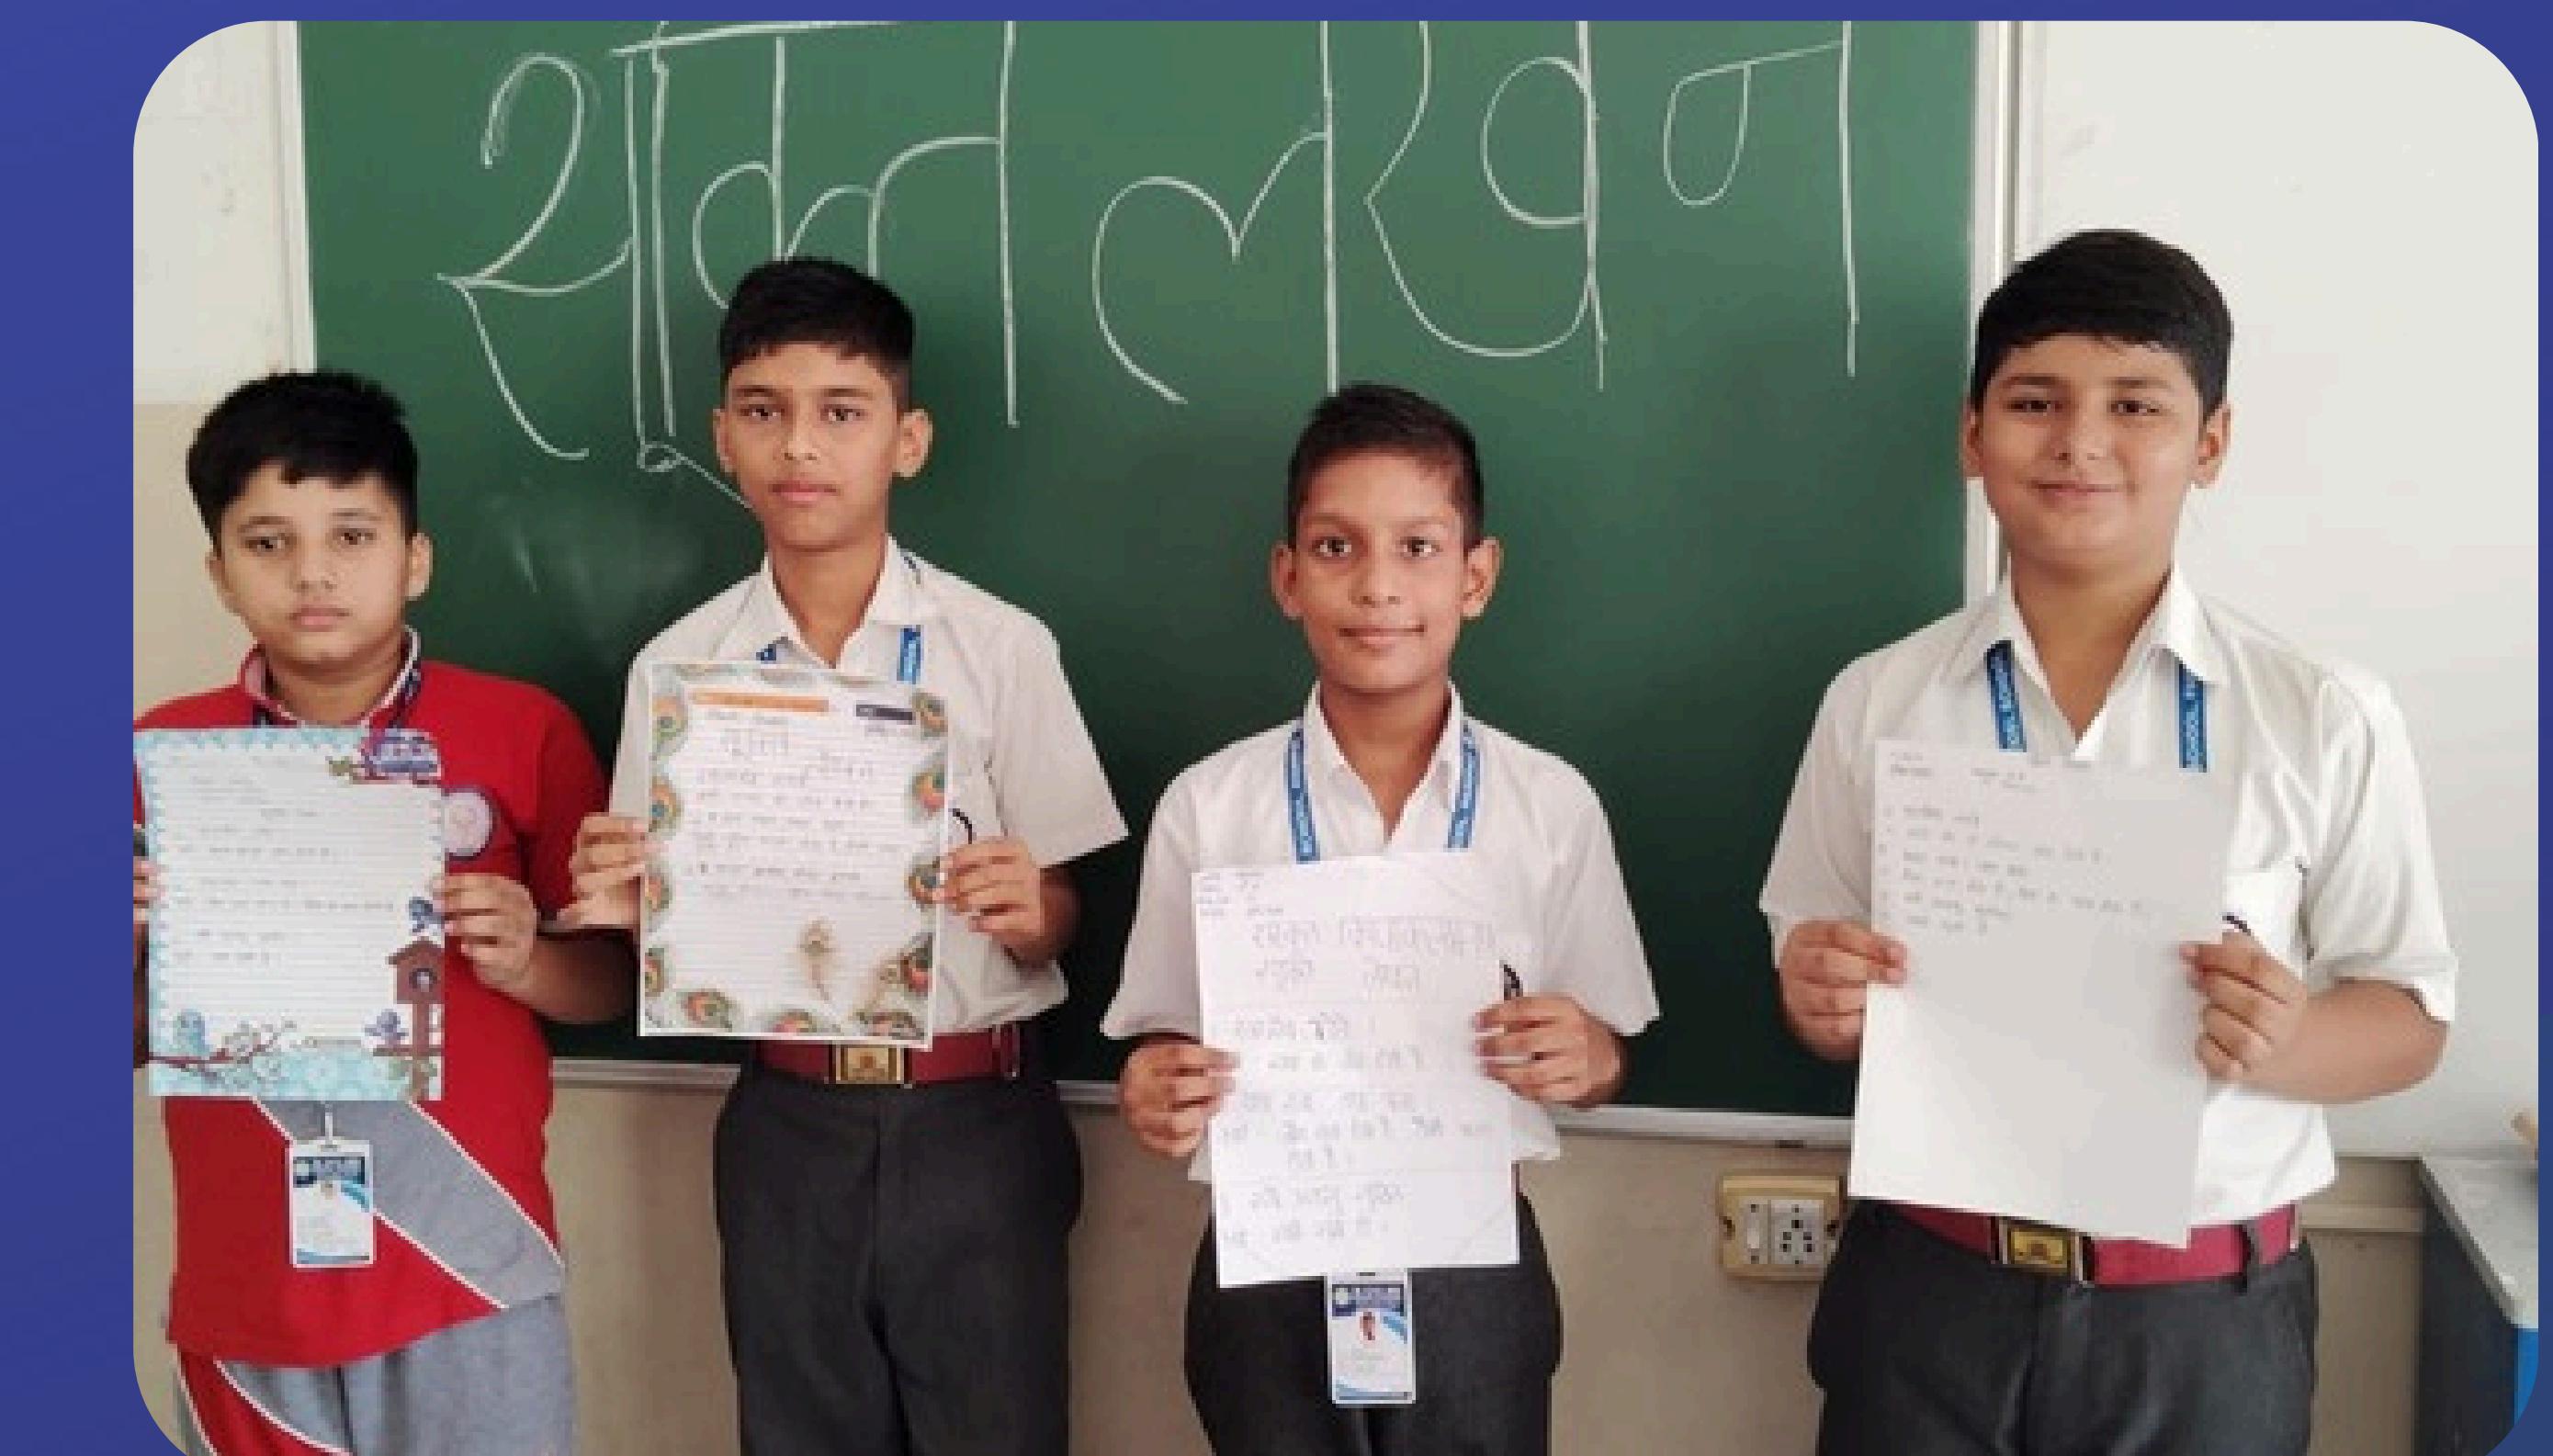

Respected Principal, Mr. Madhup Parasar appreciated the students' efforts and motivated them with his encouraging words. The quiz not only tested their commerce acumen but also inspired a deeper love for learning and intellectual exploration.

Celebrating the Wisdom of Sanskrit: Sukti Lekhan Activity

August 6, 2024 - Grades VI to VIII

The Sukti Lekhan activity provided a unique platform for young scholars to engage deeply with the wisdom of Sanskrit by both creating and interpreting 'Suktis'—wise sayings that reflect the profound depth of Sanskrit literature.

Students from classes 6th to 8th participated enthusiastically, immersing themselves in the beauty of this ancient language.

During the activity, students showcased their creativity by crafting original 'Suktis' and interpreting traditional ones, thereby enhancing their language skills, critical thinking and expressive abilities. The event also fostered teamwork and collaboration, as students worked together to explore and celebrate the richness of Sanskrit literature.

Teacher's Training Programme - "From Classrooms to Clinics: Healthcare Insights for Young Girls."

August 10, 2024

"A healthy mind resides in a healthy body" and a healthy body plays a crucial role in the overall development of individuals, particularly for girls. To raise awareness and provide more knowledge about girls' health, Dr. M.K.K Arya Model School organized a conference on the topic: "From Classrooms to Clinics: Healthcare Insights for Young Girls."

The discussion highlighted the importance of girls' health, especially during adolescence. The distinguished guest speaker, Dr. Ayushi Tyagi, MBBS, MD in Internal Medicine, Max Hospital, Shalimar Bagh, Delhi, shared her expertise. Dr. Tyagi enlightened us on the various challenges adolescent girls face, including hormonal changes, anemia and psychological disorders and offered valuable insights on how to support them through these issues.

We are immensely grateful to Dr. Ayushi Tyagi for dedicating her time and sharing her knowledge to help our students.

Capacity Building Programme on Joyful Mathematics

August 9-10, 2024

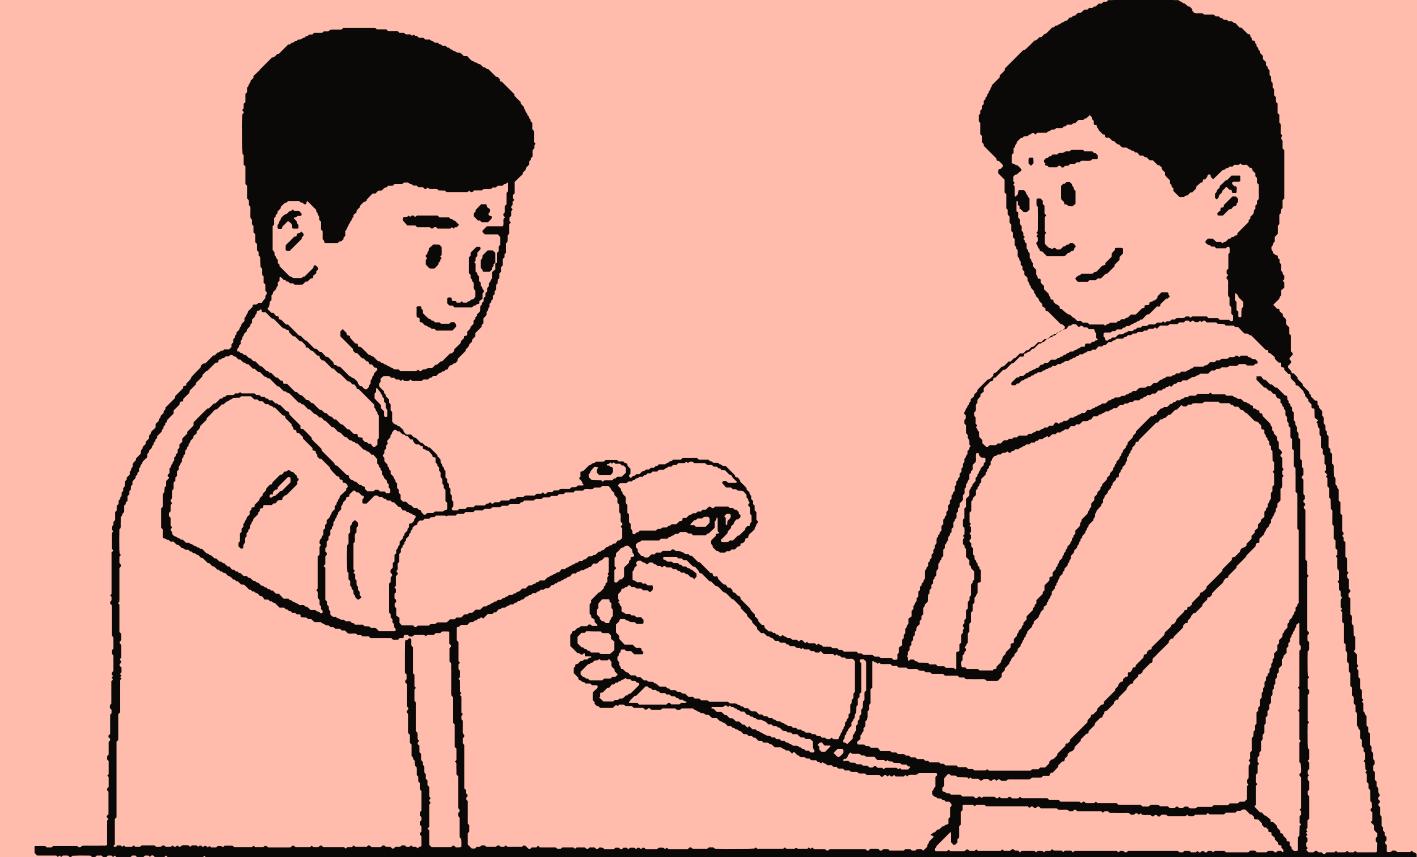

The two-day "Capacity Building Programme on Joyful Mathematics," held on August 9 and 10, 2024 at Arya Girls School, Panipat, featured an inaugural session attended by Dr. Ajit Bhardwaj and Dr. Rubina.

The programme focused on enhancing mathematics teaching skills, with key sessions covering modern teaching techniques, promoting conceptual understanding over rote learning and strategies for differentiated and inclusive instruction. Participants, including two teachers from Dr. M.K.K. Arya Model School, gained practical tools for immediate application in the classroom.

The programme successfully equipped educators with innovative approaches to improve student engagement and understanding in mathematics.

Rakhi Making Activity

August 12, 2024 - Grades Nursery to UKG

To celebrate the bond of love between brothers and sisters, the school organized a Rakhi Making Activity for the kindergarteners.

In this activity, the children brought their own materials and created handmade rakhis at school. They showed great enthusiasm as they crafted vibrant and beautiful rakhis, expressing their creativity.

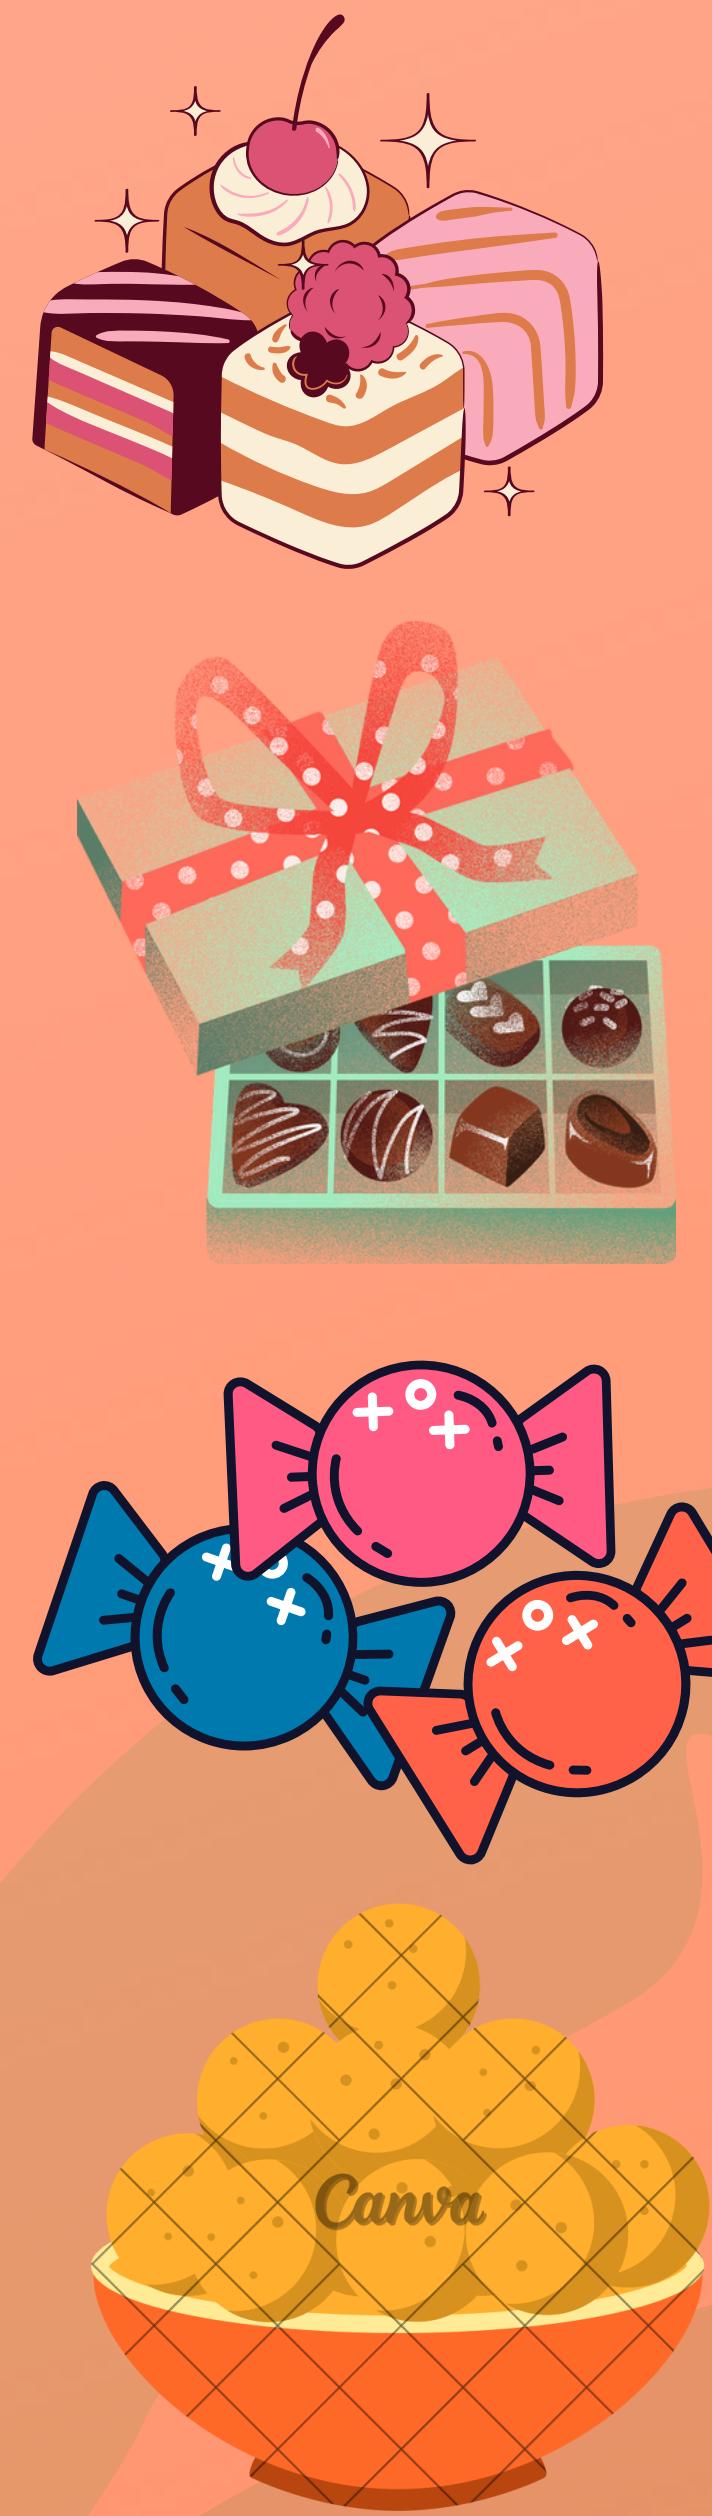

The event aimed to instil the values associated with festivals and enhance the children's artistic skills, leaving them both excited and proud of their creations.

Rakhi Making Competition - Celebrating the Bond of Love and Protection

August 13, 2024 - Grades IV to X

The Raksha Bandhan celebration included a Rakhi Making Competition, where students from Classes IV to X participated with creativity and enthusiasm. The event beautifully combined tradition and innovation, showcasing the students' talents in crafting unique and vibrant rakhis.

रक्षा बंधन

Each rakhi demonstrated the love and care between siblings. Students employed various materials, from traditional threads and beads to eco-friendly and modern designs, creating intricate and colourful rakhis.

The competition not only allowed students to express their creativity but also helped them understand and appreciate the cultural significance of Raksha Bandhan.

My Love For My Country

August 14, 2024 - Grades Nursery to UKG

On August 14, 2024, our school organized a special activity for Nursery to U.K.G. classes titled "My Love for My Country." The aim was to instil a sense of patriotism and love for the nation among the students. The event featured various activities, including speeches, songs and a parade, all highlighting the importance of our national flag and the rich cultural heritage of India.

The children proudly spoke a few lines about the national flag, explaining the colours and significance of the "Tiranga." Their enthusiasm and pride reflected their deep respect for the country.

The Tiranga Parade was one of the most memorable parts of the event, with students proudly marching around the school campus carrying the national flag.

The school management appreciated the efforts of the students and teachers in making this event a grand success. It was truly a day of patriotism, unity and celebration.

Debate on Demonetisation

August 14, 2024 - Grades XI & XII

The Commerce and Humanities Department hosted a lively debate for Class 11 and 12 students on the topic of "Demonetization" on August 14, 2024. This policy, implemented by the Indian government in 2016, aimed to address issues such as black money, corruption and counterfeit currency.

The debate featured two teams: one supporting and one criticizing the policy. The enthusiastic participation showcased the students' deep knowledge and analytical skills. It was a thought-provoking discussion that offered valuable insights into the impact of demonetization on the Indian economy and society.

Tales of Valour

August 14, 2024 Grades- I to III

Our budding orators from Classes I to III delivered an extraordinary showcase of eloquence and patriotism in the "Tales of Valour" declamation event. The young prodigies captivated the audience with their stirring tributes to our national icons, bringing to life the remarkable stories of courage, sacrifice and leadership that have etched an indelible mark on our nation's history.

With poise and conviction, each participant recounted the illustrious deeds of revered figures such as Mahatma Gandhi, Subhash Chandra Bose, Rani Lakshmibai, Bhagat Singh and Dr. B.R. Ambedkar, leaving the audience both inspired and awestruck. The event was not just a competition but a profound reminder of the values that continue to define our collective identity.

Independence Day Celebration at Dr. M.K.K. Arya Model School

August 15, 2024

On August 15, 2024, Dr. M.K.K. Arya Model School celebrated Independence Day with great enthusiasm and patriotism. The event began with an official flag hoisting ceremony led by Principal, Mr. Madhup Parasar, Academic Advisor, Ms. Manju Setia, Language and Activity In-charge, Ms. Meera Marwaha, Administrative In-charge, Mr. Deepak and Chief Accountant,

Mr. Jasbir.

The ceremony was followed by the singing of the National Anthem, which evoked a deep sense of pride and unity among all attendees. Students showcased their patriotism through vibrant performances, including a memorable school Cabinet Parade that highlighted discipline and unity.

The celebration also featured a heartfelt group song performed by students, honouring the sacrifices of our heroes. The day was marked by a profound sense of pride, unity and joy in celebrating our nation's freedom.

Rakhi Making Competition

August 17, 2024 Grades- I to III

On August 17, 2024, Dr. M.K.K. Arya Model School organized a Rakhi Making Competition for Class I to III students. The event was filled with excitement and creativity as the young participants expressed their feelings through beautifully handcrafted rakhis.

Each class showcased the vibrant imagination and dedication of the students. The competition was not just a display of artistic skills but also a celebration of the deep bond between brothers and sisters. As the students carefully crafted their rakhis, they infused them with love and affection, symbolizing the strength of sibling relationships.

Principal, Mr. Madhup Parasar visited each class during the activity and was thoroughly impressed by the efforts of the young students. He appreciated their enthusiasm and creativity, noting how mesmerizing it was to witness such genuine expressions of affection and artistry.

The event offered students a wonderful opportunity to connect with the cultural significance of Raksha Bandhan in a hands-on and meaningful way. As the saying goes, "A rakhi is not just a thread; it's a bond of love, trust and protection that lasts a lifetime." This competition truly embodied that spirit, leaving everyone with cherished memories.

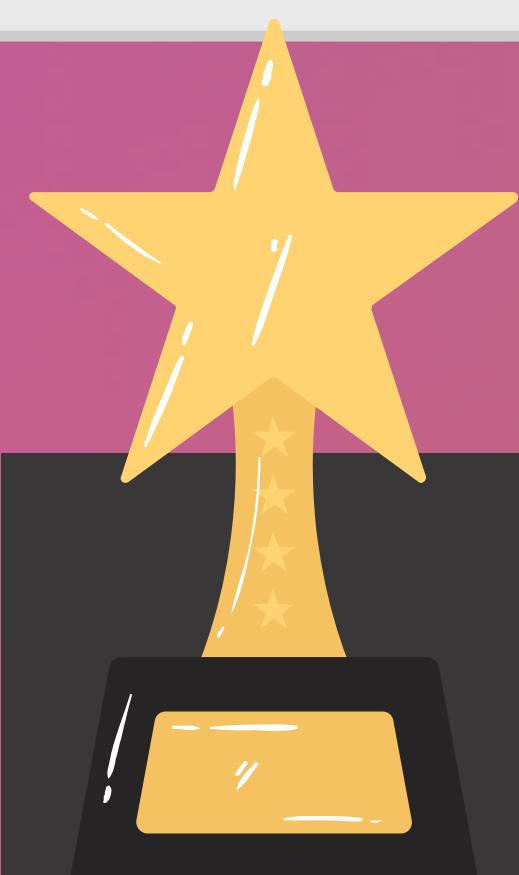

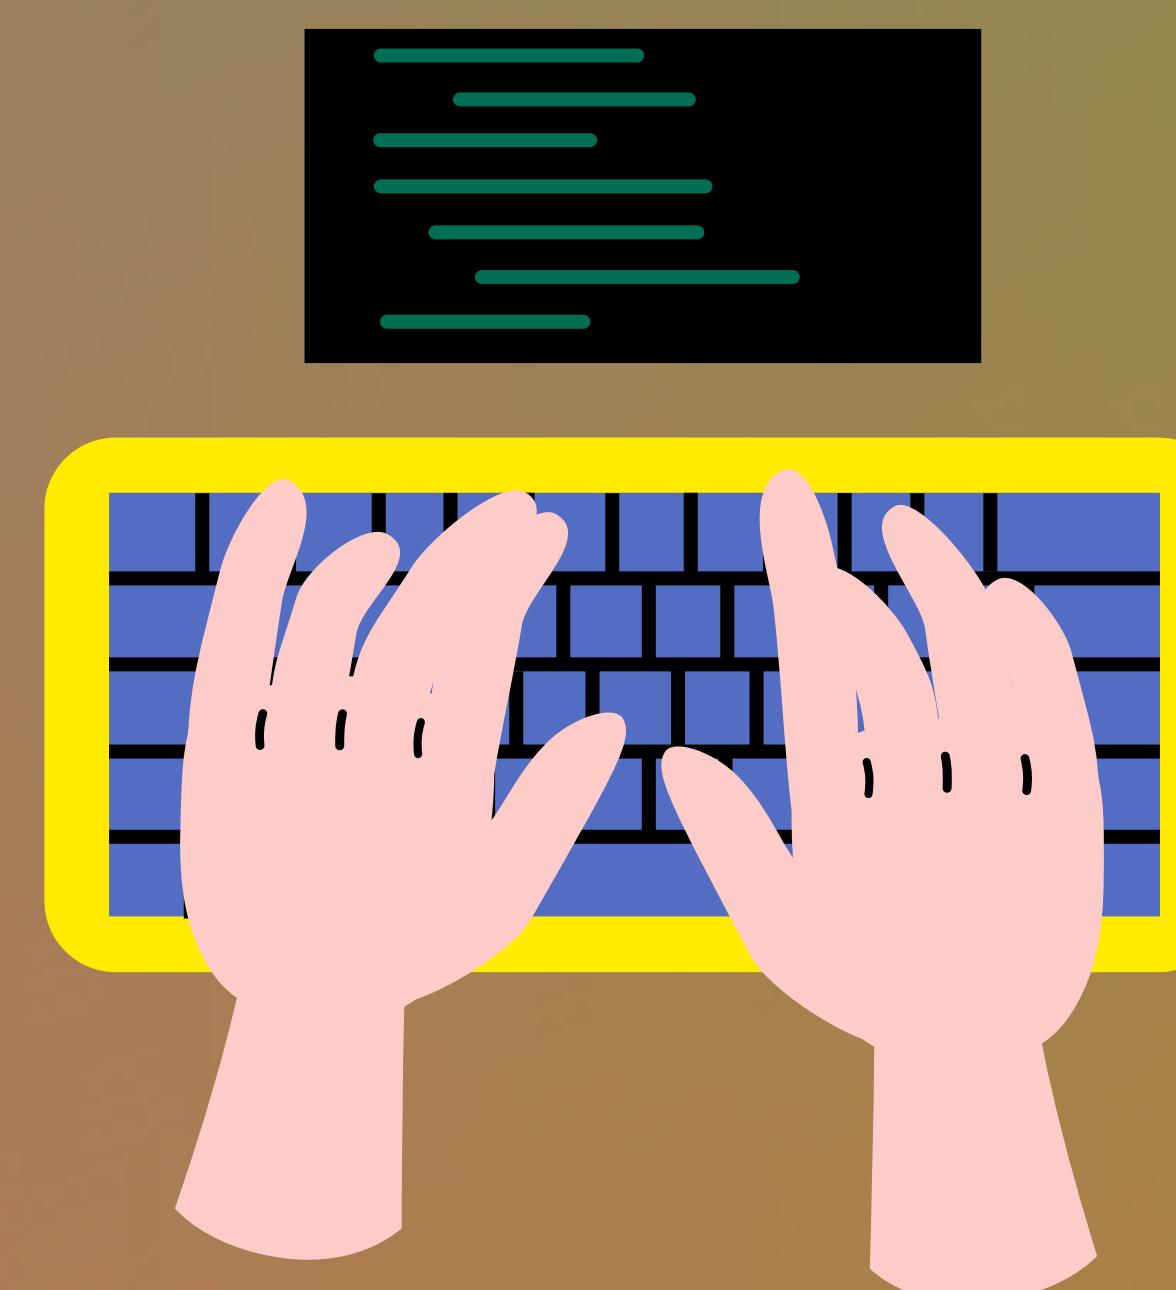

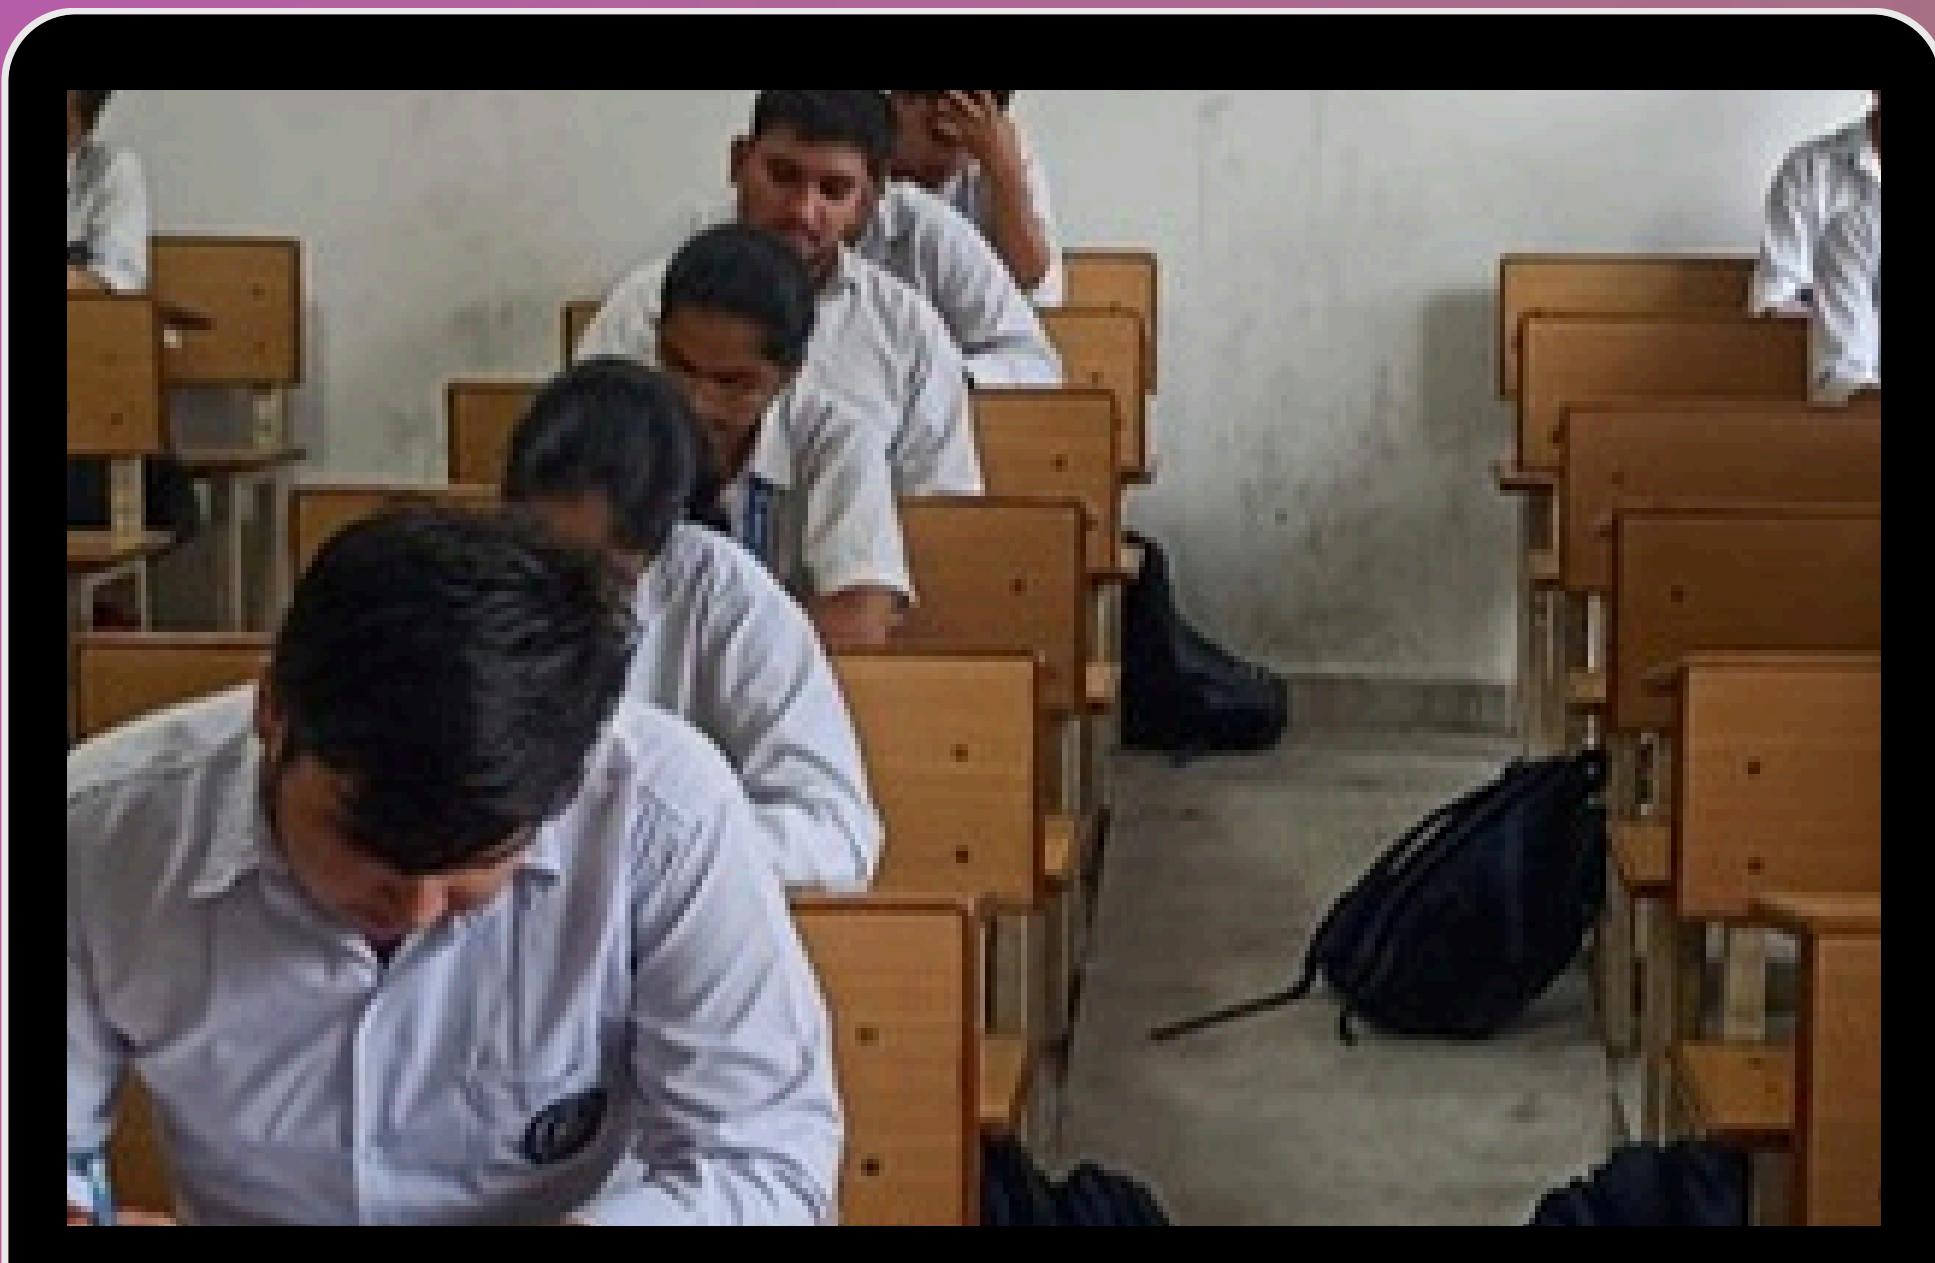

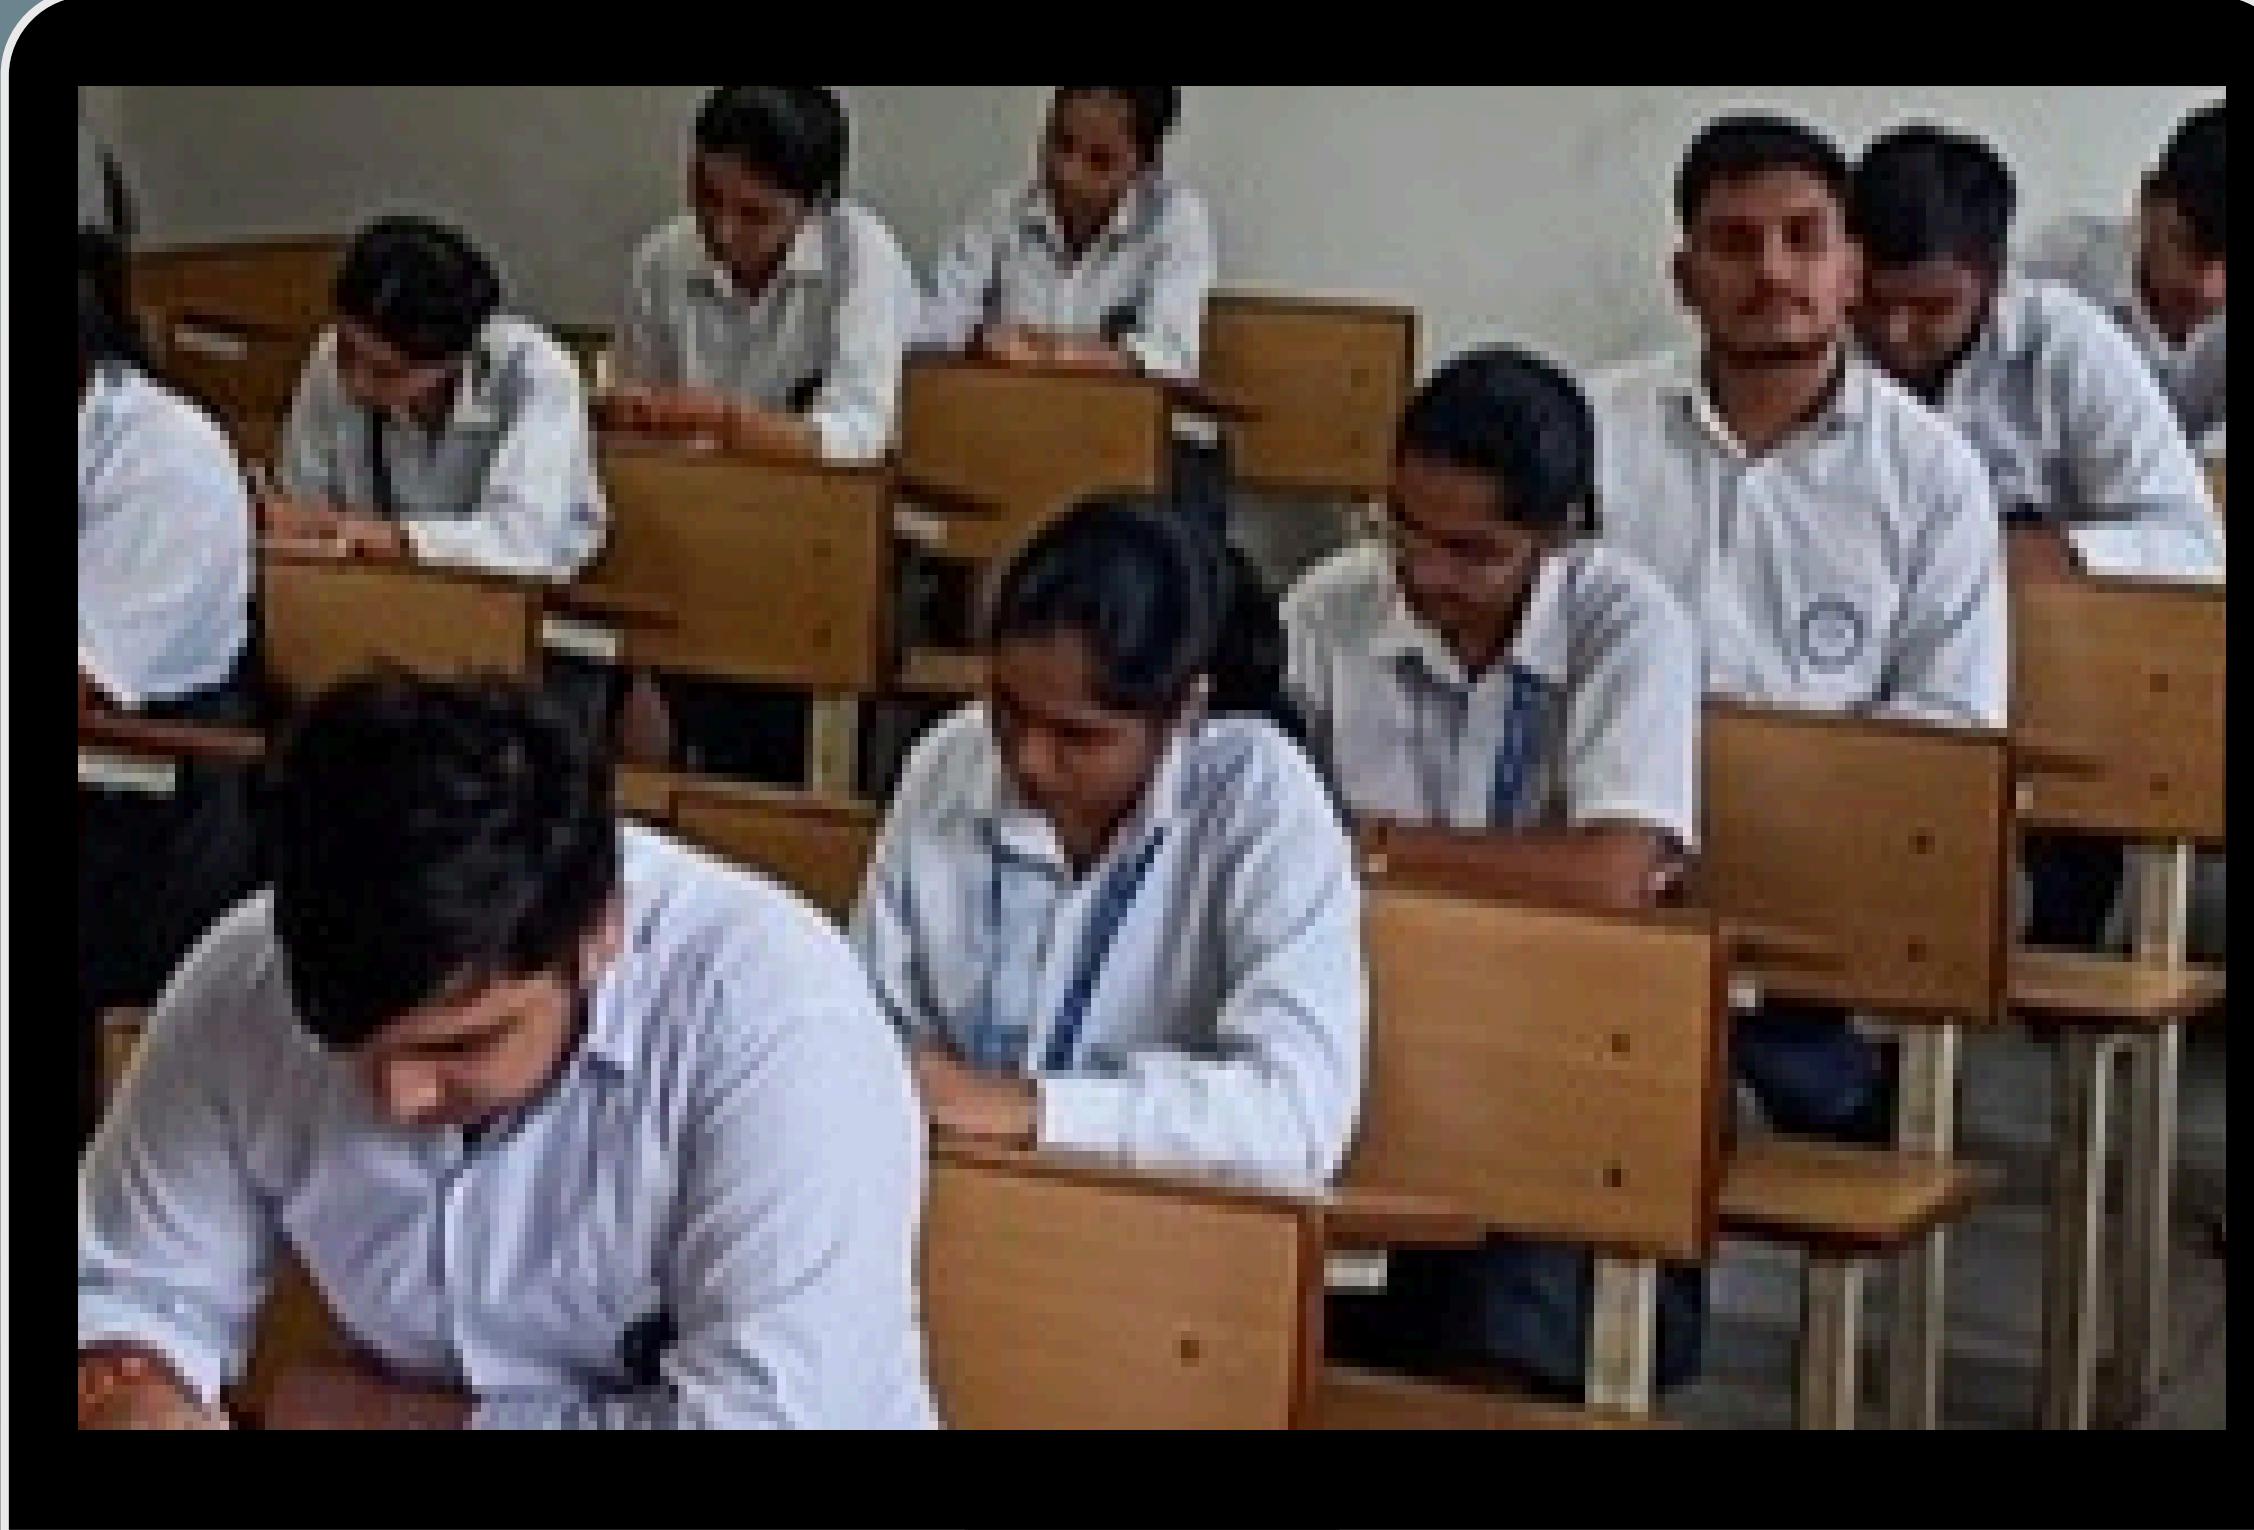

Debug the Code Activity:

A Showcase of Problem-Solving Skills

August 20, 2024 - Grades XI & XII

The "Debug the Code" activity was organized for students of classes XI and XII, offering a challenging pen-and-paper test of their coding and problem-solving abilities. The activity focused on debugging errors in coding and database language, requiring students to apply their knowledge in real-time scenarios. With 30 minutes on the clock and 20 marks at stake, students participated enthusiastically, demonstrating their technical prowess.

RESULTS:

CLASS XII:

FIRST PLACE: NIKHIL (XII A), SHIVAM (XII UDAAN)

SECOND PLACE: GAUTAM (XII UDAAN), RITIKA (XII A1)

THIRD PLACE: MADHU (XII UDAAN), BHAVISHYA (XII A1), RAHUL (XII A1), JAGRIT (XII A), ANSH (XII A), KARAN (XII A), KHUSHI (XII B3), ARYAN (XII B3), VANSHIKA (XII B3)

CLASS XI:

FIRST PLACE: PARUL (XI UDAAN)

SECOND PLACE: ANSHIKA (XI A), DHRITI (XI UDAAN), RADHIKA (XI UDAAN), AMAN (XI UDAAN), TUSHAR (XI UDAAN)

THIRD PLACE: PARV, YASHIKA, MAHI (XI A); GARVIT, JAY, RONIT, ANA HUSSAIN (XI UDAAN)

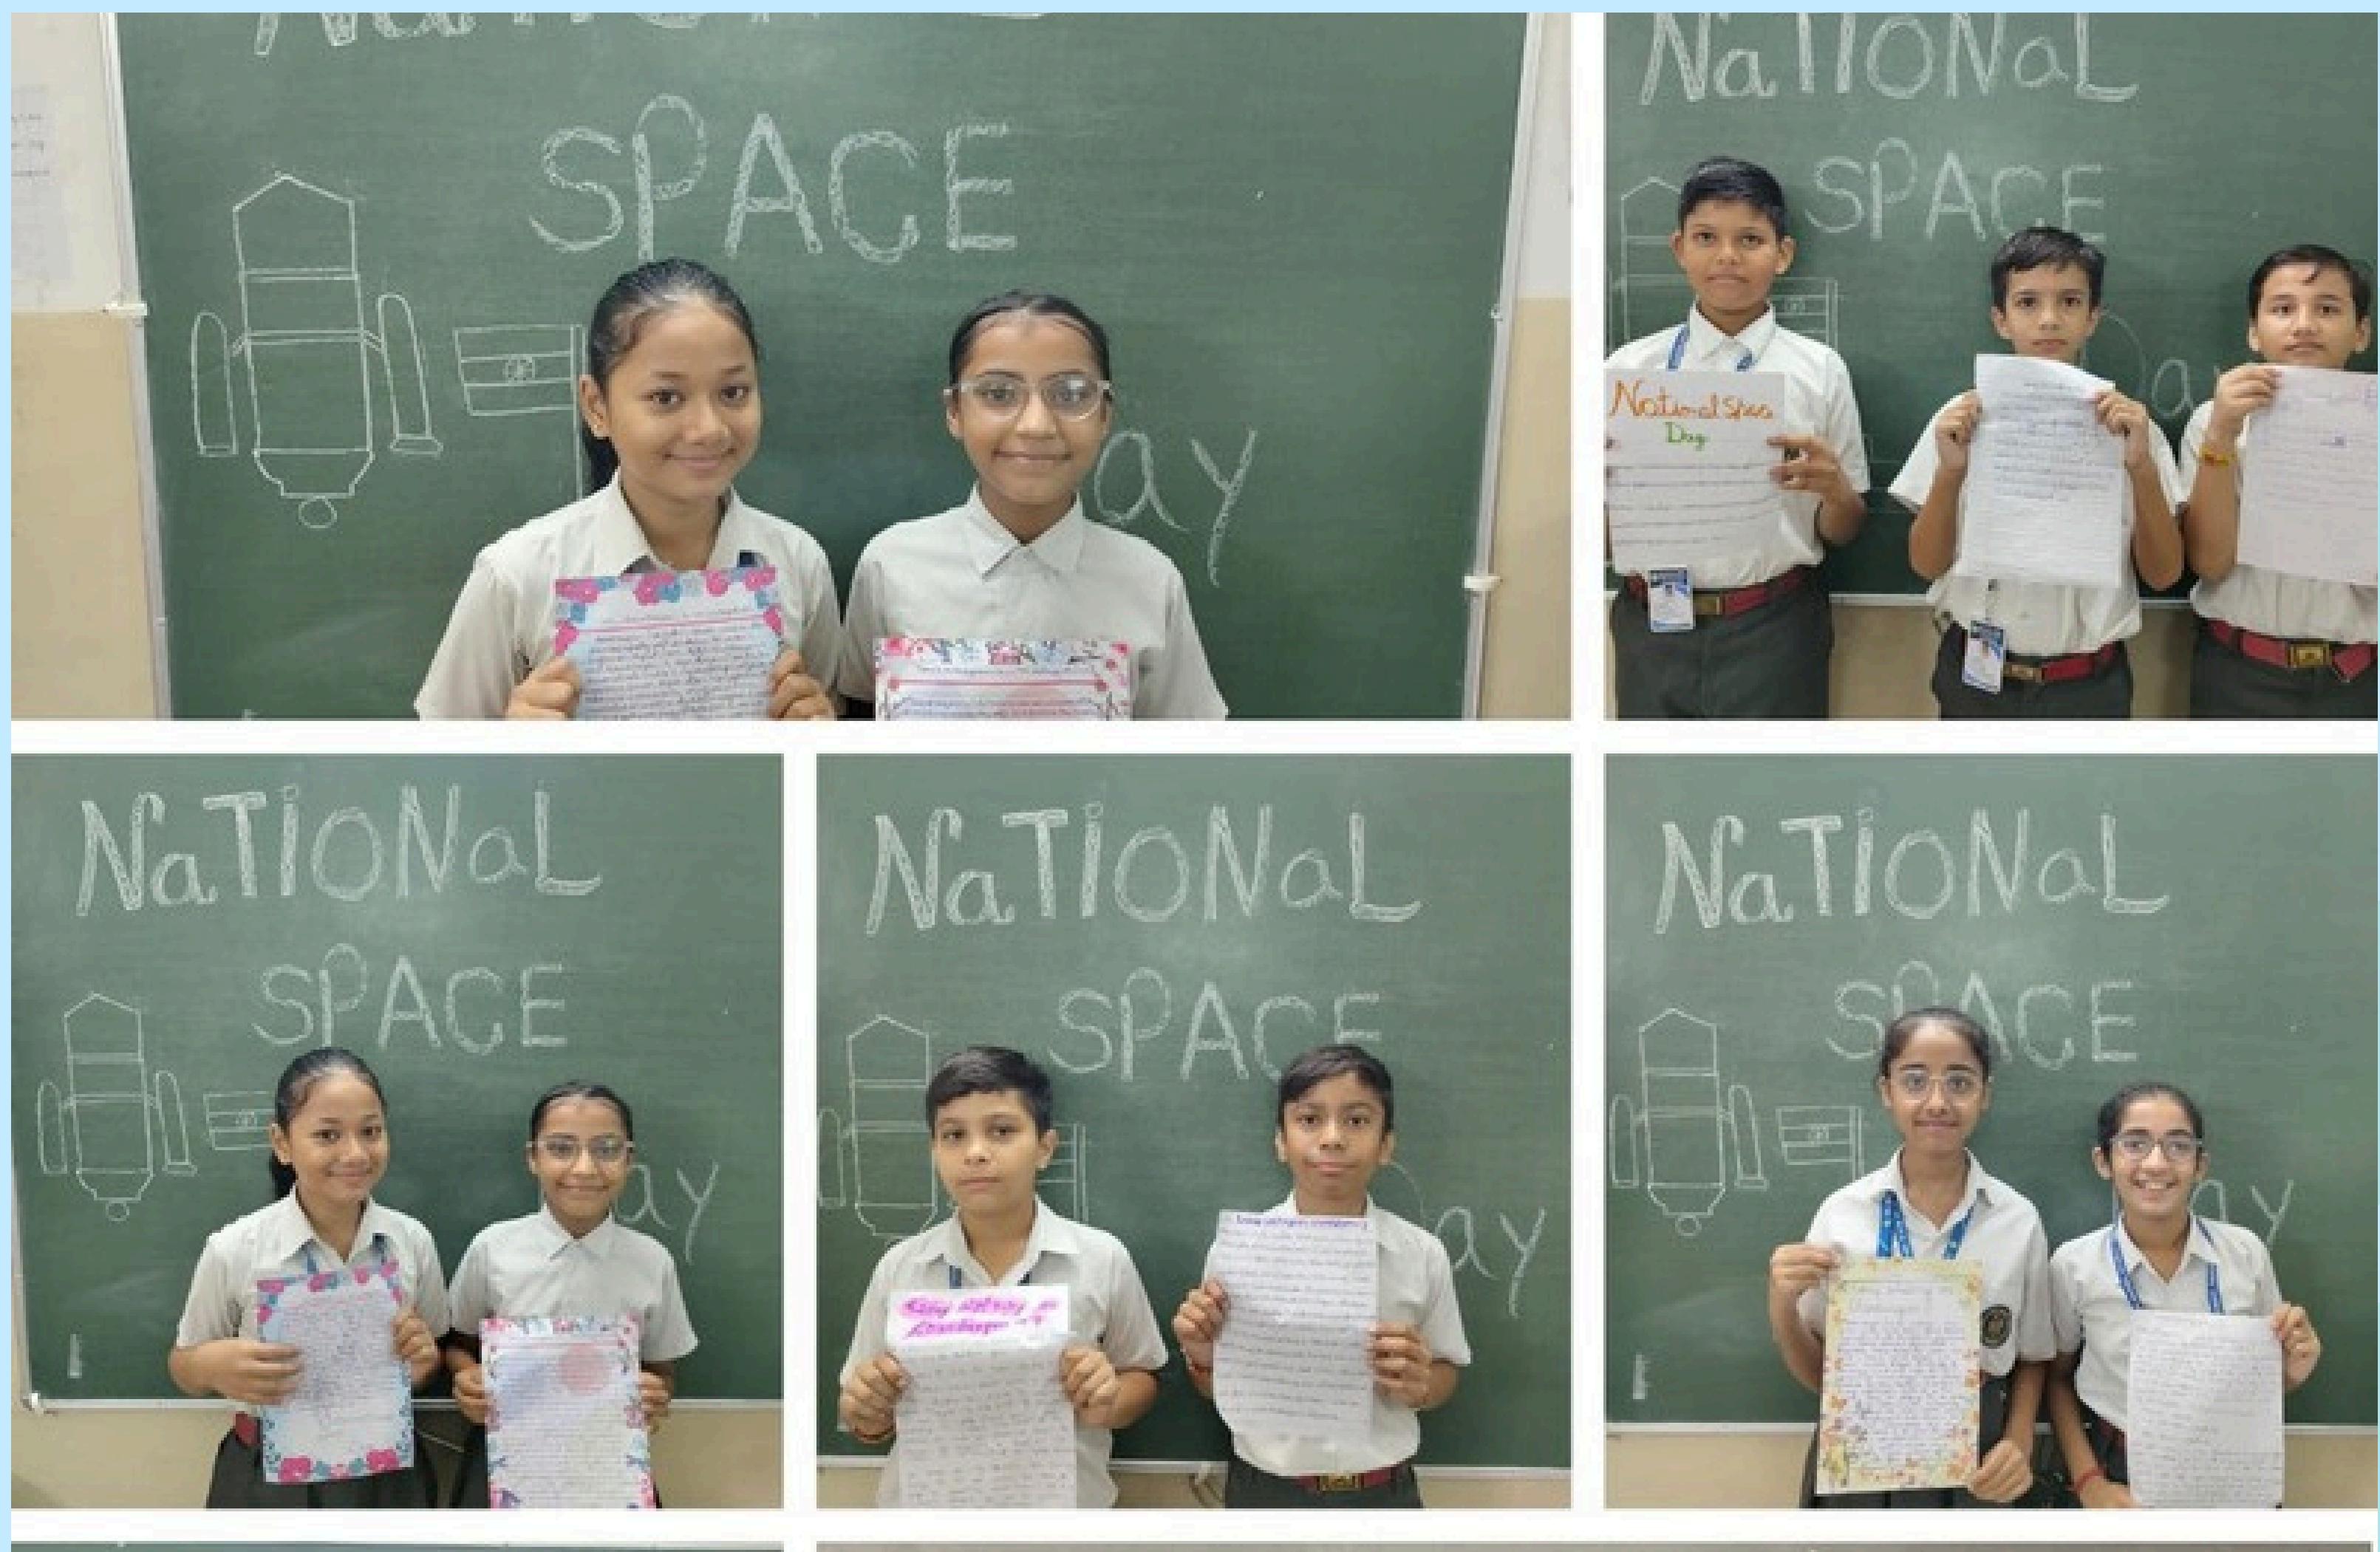

National Space Day

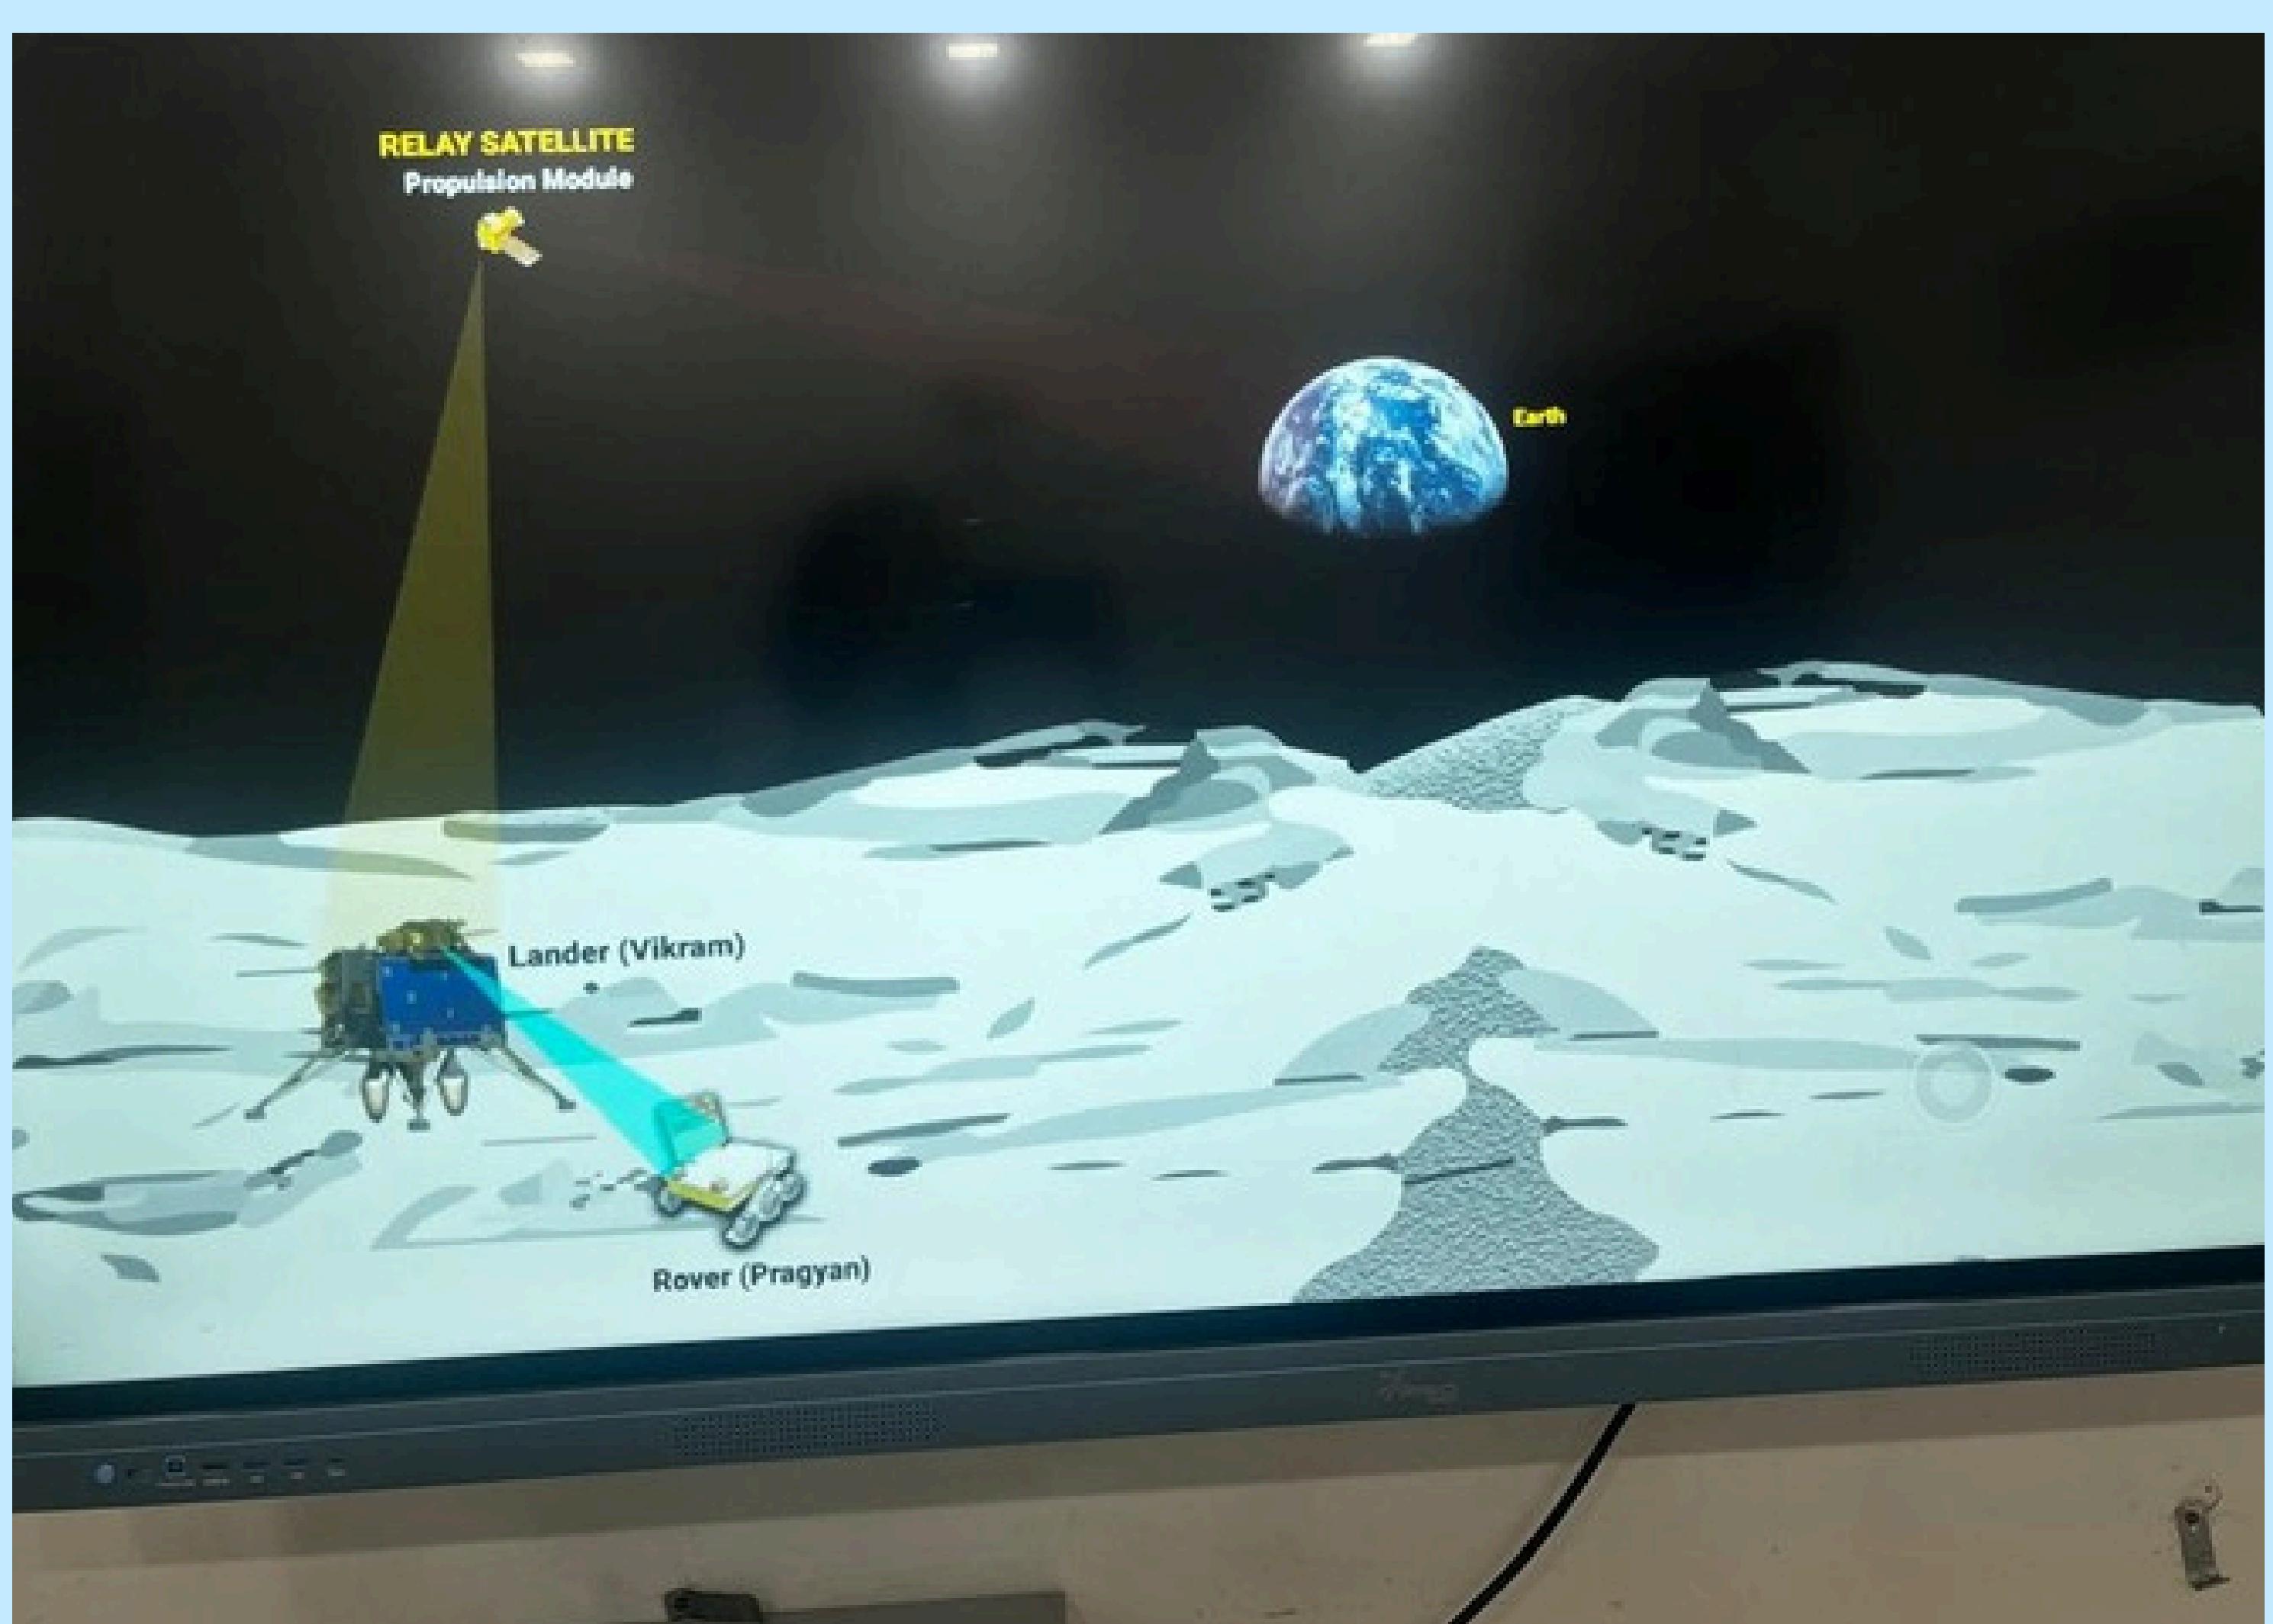

Space times at Dr. M.K.K. Arya Model School

August 23, 2024

Following the CBSE directive regarding the "Bharat on the Moon" initiative, various activities were organized for students up to Class X to encourage their engagement with STEM ideas related to space and our scientific achievements.

From documentaries on Chandrayaan-3 for our champs in classes I-III to a Poster-Making Competition for classes IV-V, an Essay Writing Competition for our budding enthusiasts in classes VI-VIII and Declamation Competitions for students in classes IX-X, our students explored space milestones with creativity and enthusiasm. It was incredible to see their passion for exploring the universe.

Janamashtami Celebration

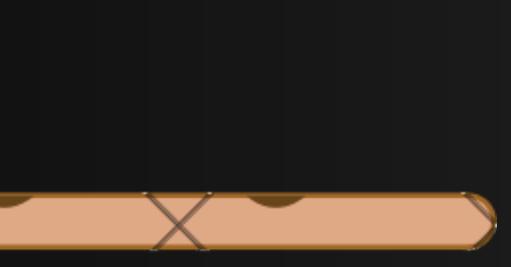

August 24, 2024 Grades: Nursery to UKG

To seek the blessings of Lord Krishna, Janmashtami was celebrated at Dr. M.K.K. Arya Model School with great joy and enthusiasm. The students of Nursery to U.K.G. dressed up as Little Krishna, Radha and Gopikas, turning the celebration area into a mini Vrindavan. The main objective of the activity was to help the children understand the significance of Krishna Janmashtami and learn about the various names of Lord Krishna.

The celebration comprised singing, dancing, and coloring beautiful pictures of Lord Krishna. To make the day special and memorable, students participated in various activities like flute playing and dancing. The classrooms were decorated with colourful balloons and posters depicting the life of Lord Krishna. The activities fostered a sense of community and cultural awareness among the students

Samarpān - A Reverent Celebration of Founder's Day

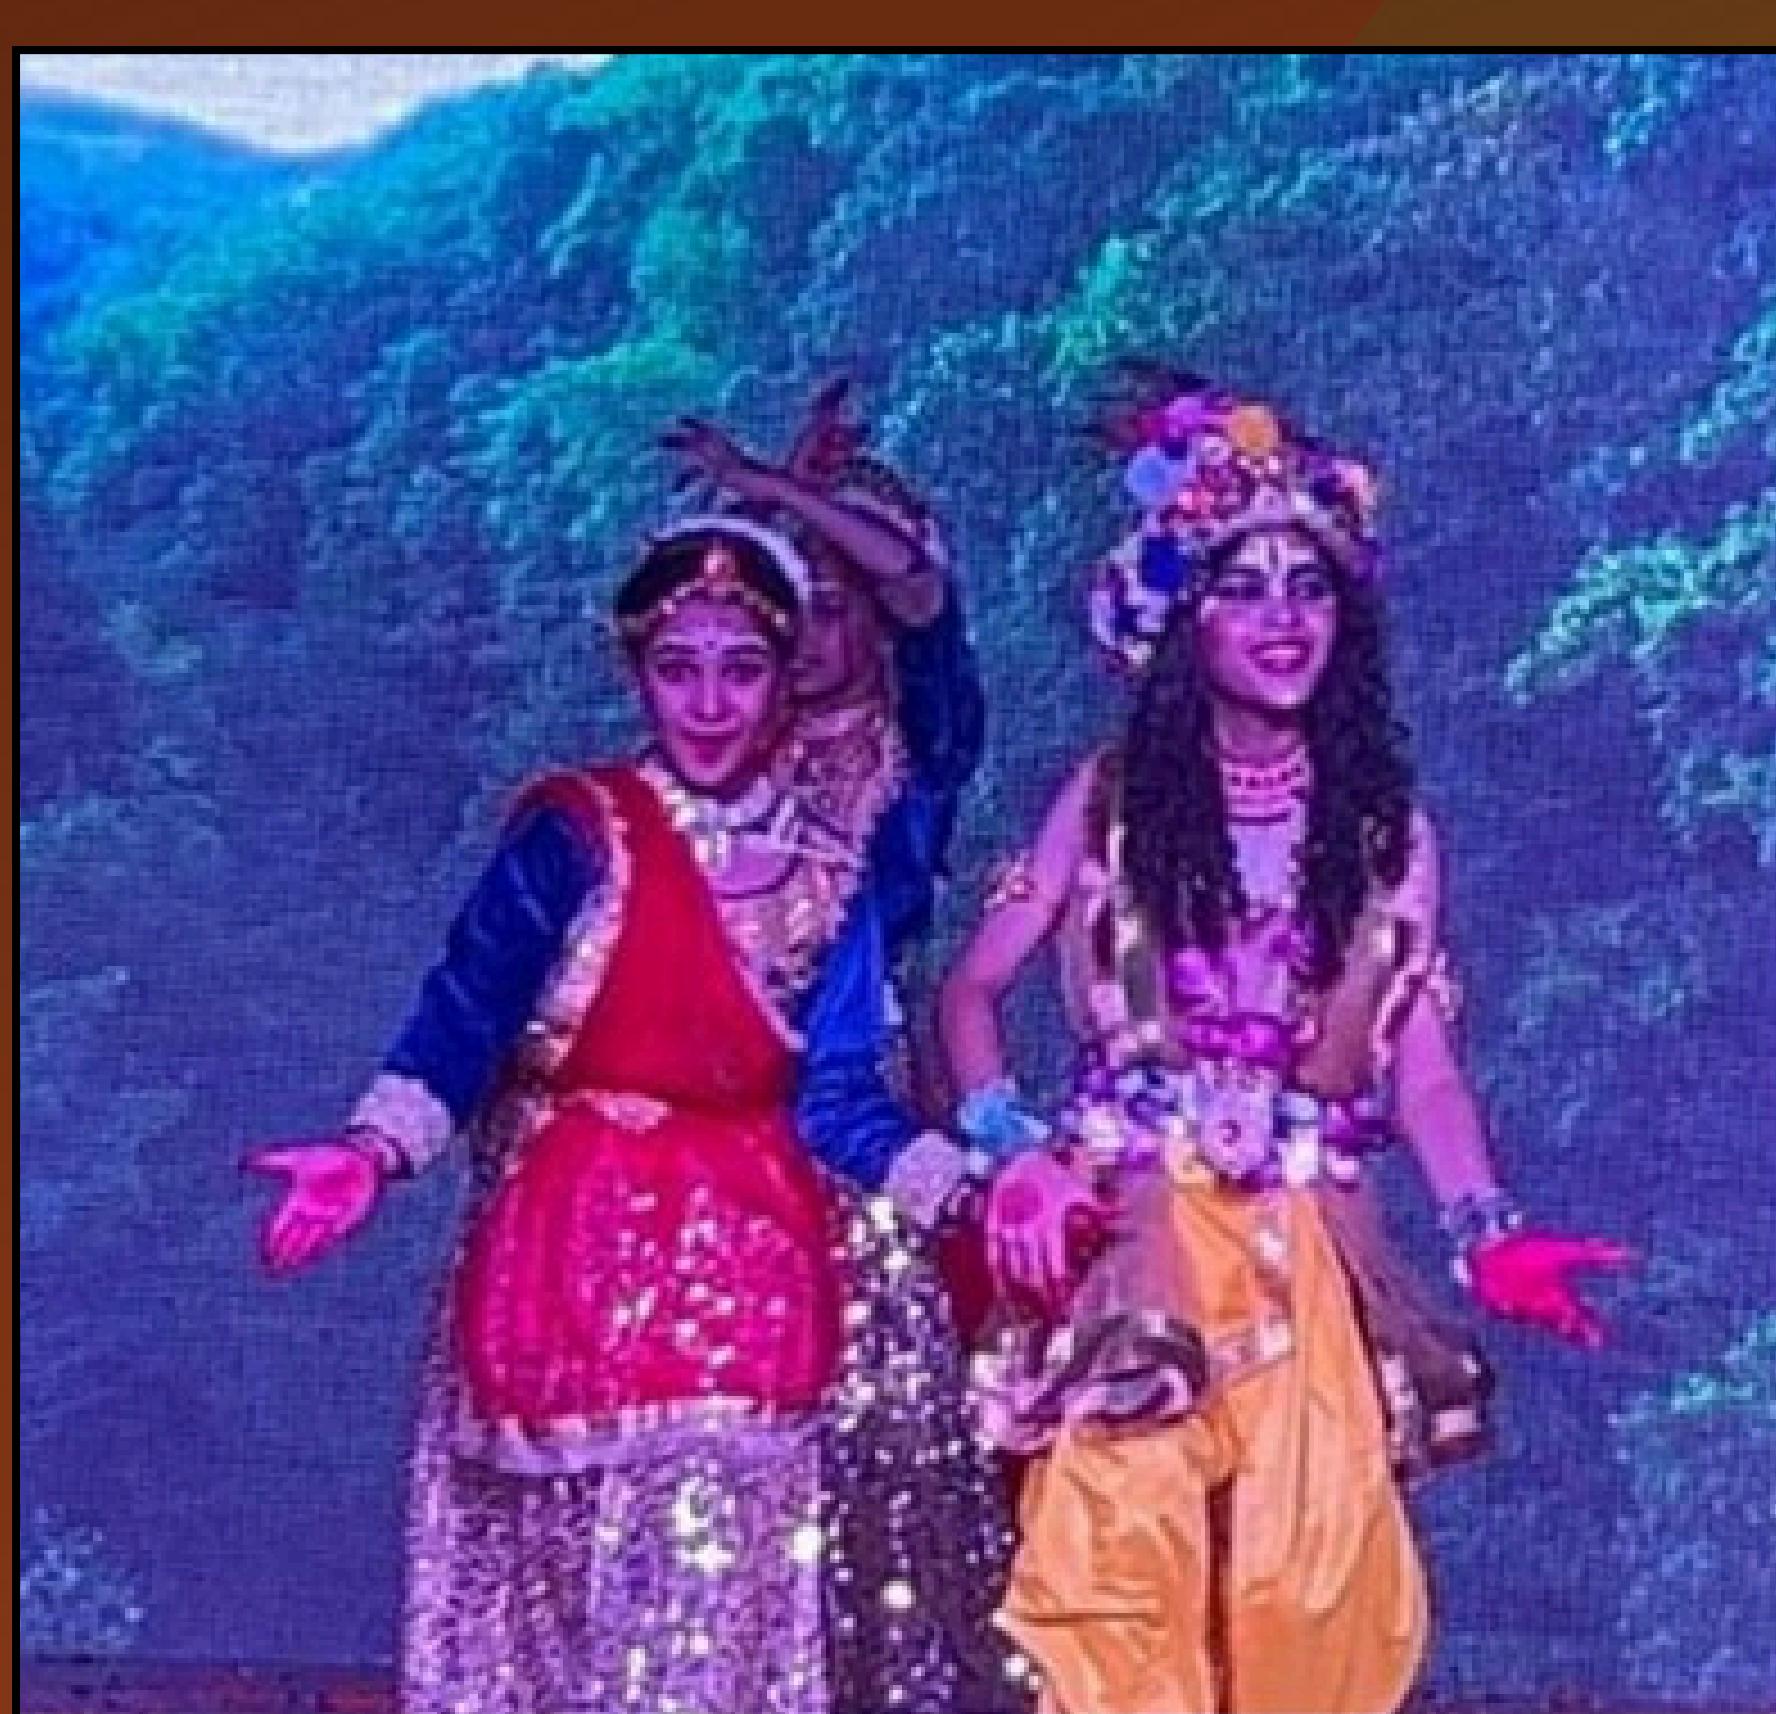

On August 28, 2024, Dr. M.K.K. Arya Model School proudly hosted its Founder's Day celebration, aptly named "Samarpan," in honour of our esteemed founder, Dr. Maharaj Krishna Kapur. The day's festivities began with a sacred Hawan, which also marked the unveiling of Mata Harkaur's portrait, a tribute to our enduring legacy.

The event was graced by the presence of the Managing Committee Members, including President, Sri Sanjeev Kapur, Vice President, Ms. Jyoti Kapur and esteemed committee members, Ms. Ritu Kapur, Sri Pranab Kapur and Mr. Dhar. The celebration was elegantly orchestrated by Principal, Mr. Madhup Parasar, Education Advisor, Ms. Manju Setia , Language and Activity Incharge Ms. Meera Marwaha, Administrative Incharge, Mr. Deepak Girdhar and Chief Accountant, Mr. Jasbir.

Samarpan - A Reverent Celebration of Founder's Day

August 28, 2024

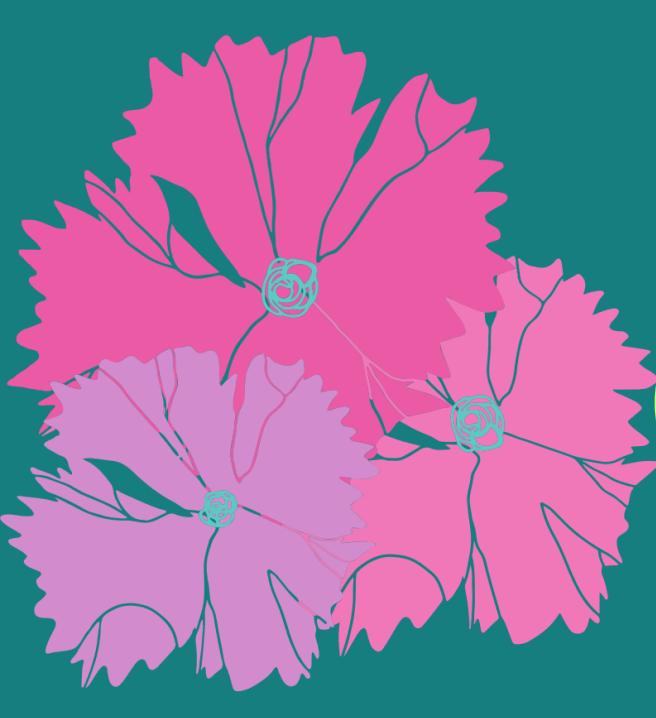

The cultural programme commenced with a warm welcome address by the Head Boy, who eloquently set the tone for the day's events. This was followed by a vibrant welcome dance, an enchanting Classical Dance and soulful Bhajans, adding a divine touch to the proceedings. The Head Girl then delivered an inspiring speech, reflecting on the values and vision of our founder.

This memorable event not only honoured our founder's visionary legacy but also showcased the vibrant cultural spirit of our school community.

Theme Based Morning Assemblies (August-2024)

Class IX A, Theme : Vasudhaiva Kutumbakam

August 01, 2024

A thoughtful class assembly on the theme "Vasudhaiva Kutumbakam: One Earth, One Family, One Future" was presented by the students of Class IX A. The assembly, guided by their teacher, highlighted the importance of global unity and collective well-being.

The program commenced with a prayer, songs and the chanting of the Gayatri Mantra, setting a serene tone. The assembly included a news reading segment that kept everyone informed about recent events and activities. The stage was managed smoothly, with students delivering insightful speeches in both English and Hindi, effectively conveying the theme.

In the closing remarks, school authorities emphasized the timeless relevance of "Vasudhaiva Kutumbakam," which promotes the idea of the world as one family. They underlined the importance of this philosophy in fostering global solidarity and responsibility. The students were praised for their creativity and performance, reflecting a deep understanding of the theme.

Class VII A, Theme: "Energy Conserved Today Will Preserve Tomorrow"

August 02, 2024

Class VII A held an insightful assembly focused on the theme "Energy Conserved Today Will Preserve Tomorrow." Through a variety of performances and presentations, the students conveyed the importance of energy conservation for a sustainable future.

The assembly began with a morning prayer, followed by speeches that highlighted the significance of energy in our lives and its limited availability. These speeches, delivered by several students, emphasized the need for energy conservation. An informative PowerPoint presentation further reinforced the theme, while heartfelt poems added a creative touch.

The assembly was smoothly anchored, ensuring a cohesive flow of events. The program concluded with a vote of thanks from the students and feedback from the class teacher. The Language and Activity In-charge, Ms. Meera Marwaha, praised the students for their efforts and encouraged them to continue their pursuit of knowledge and environmental responsibility.

Class IX B, Theme : Creating Opportunities

August 08, 2024

Class IX B recently conducted a compelling assembly on the theme "Opportunities Don't Happen, You Create Them." The event, guided by their class teacher, was a dynamic mix of performances and speeches that emphasized the importance of proactively creating opportunities rather than waiting for them to arise.

The assembly began with a prayer and the chanting of the Gayatri Mantra, followed by a news segment that updated everyone on recent events. Students effectively conveyed the theme through a series of English and Hindi speeches, accompanied by a vibrant group dance, group singing, and a short drama. The enthusiastic participation of all students was evident throughout the program.

सामूहिक गायन एवं लघु नाटकों की भी मनोहारी प्रस्तुति पेश की गई। कार्यक्रम के समापन पर विद्यालय के प्रधानाचार्य मधुप परासर, अंजलि दीवान, विद्यालय की भाषा व गतिविधि

In their concluding remarks, the school authorities highlighted the message that individuals have the power to shape their destiny by actively creating opportunities rather than waiting for the perfect moment. The assembly was a powerful reminder of the importance of initiative and self-determination in achieving success.

Class VII B, Theme : The Rise of Democracy is the Rise of Humanity

August 09, 2024

The theme-based assembly of Class VII-B on "The Rise of Democracy is the Rise of Humanity" was held at Dr. MKK School Panipat, under the guidance of the class teacher.

The assembly began with a prayer, creating a reflective atmosphere, followed by a news presentation that kept everyone informed.

Students delivered compelling speeches, exploring how democracy enhances human values and freedoms. These presentations were further enriched by poetry recitations, a visual presentation on the connection between democracy and humanity and engaging activities like a quiz, a skit and a group song.

The assembly highlighted that democracy not only empowers individuals but also fosters a collective sense of responsibility and compassion, essential for the progress of humanity. The thought of the day emphasized the significance of democratic values. The Principal addressed the assembly, explaining the theme's importance and how democracy contributes to human dignity and societal progress. The performances were praised for their effort and effectiveness in conveying this vital message.

Class VII C , Theme : Live Life Cleaner, Make Earth Greener

August 16, 2024

On August 16, 2024, Class VII C held an engaging assembly centered on the theme "Live Life Cleaner, Make Earth Greener."

The programme creatively highlighted the importance of environmental conservation, urging the need for immediate action to protect our planet.

Through a variety of presentations—including skits, poems and a PowerPoint—the students emphasized the impact of pollution, deforestation and energy waste. They proposed simple yet effective solutions like embracing renewable energy, reducing waste and planting more trees. The performances were both informative and inspiring, motivating everyone to adopt sustainable habits.

The assembly was well-received by the school Principal and staff, who commended the students for their innovative approach and emphasized the significance of collective responsibility in safeguarding the Earth for future generations.

Class IX D, Theme : Mental Care and Self Care

August 22, 2024

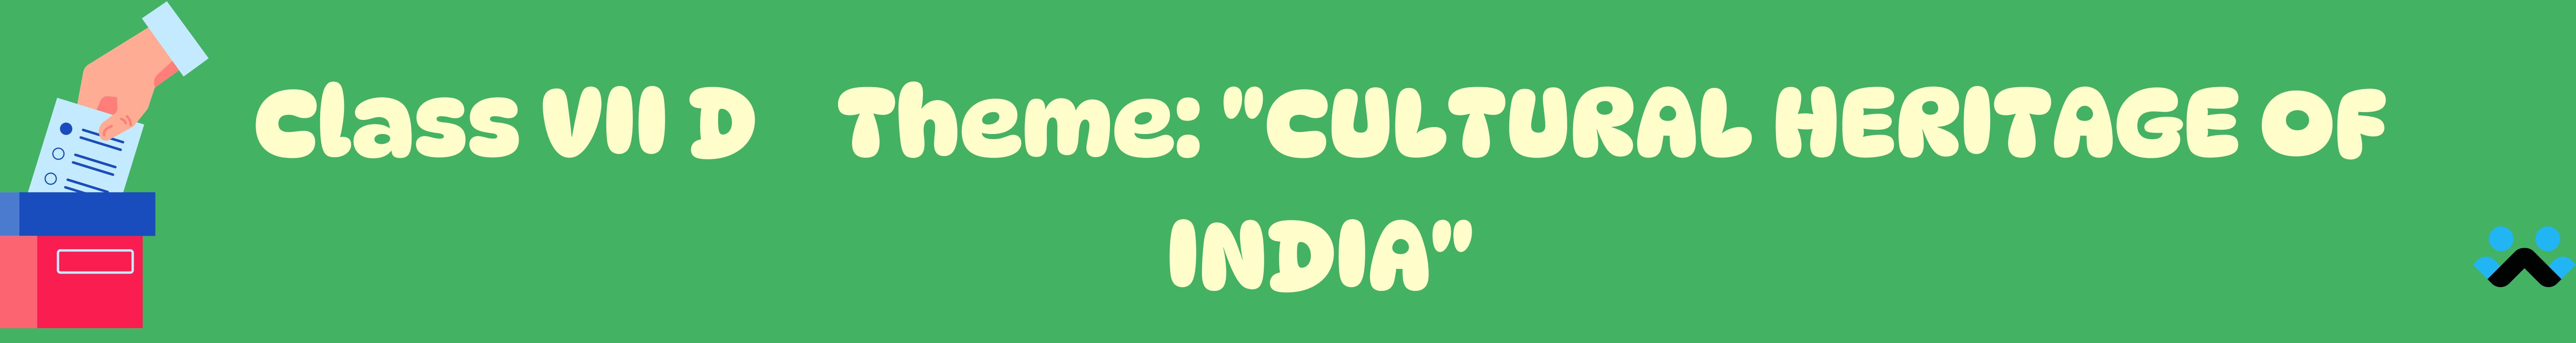

Students of Class IX D presented a thought-provoking session on "Mental Health and Self-Care." Guided by their class teacher, the students explored the importance of mental well-being through speeches, poetry, a skit, and a lively dance performance. A PowerPoint presentation and a quiz further enriched the event.

The school's Language and Activity In-Charges emphasized the significance of mental health in daily life and encouraged students to practice yoga, meditation and nurture meaningful connections with friends and family to maintain emotional balance.

The program was well-received, offering valuable insights into the need for self-care in today's fast-paced world.

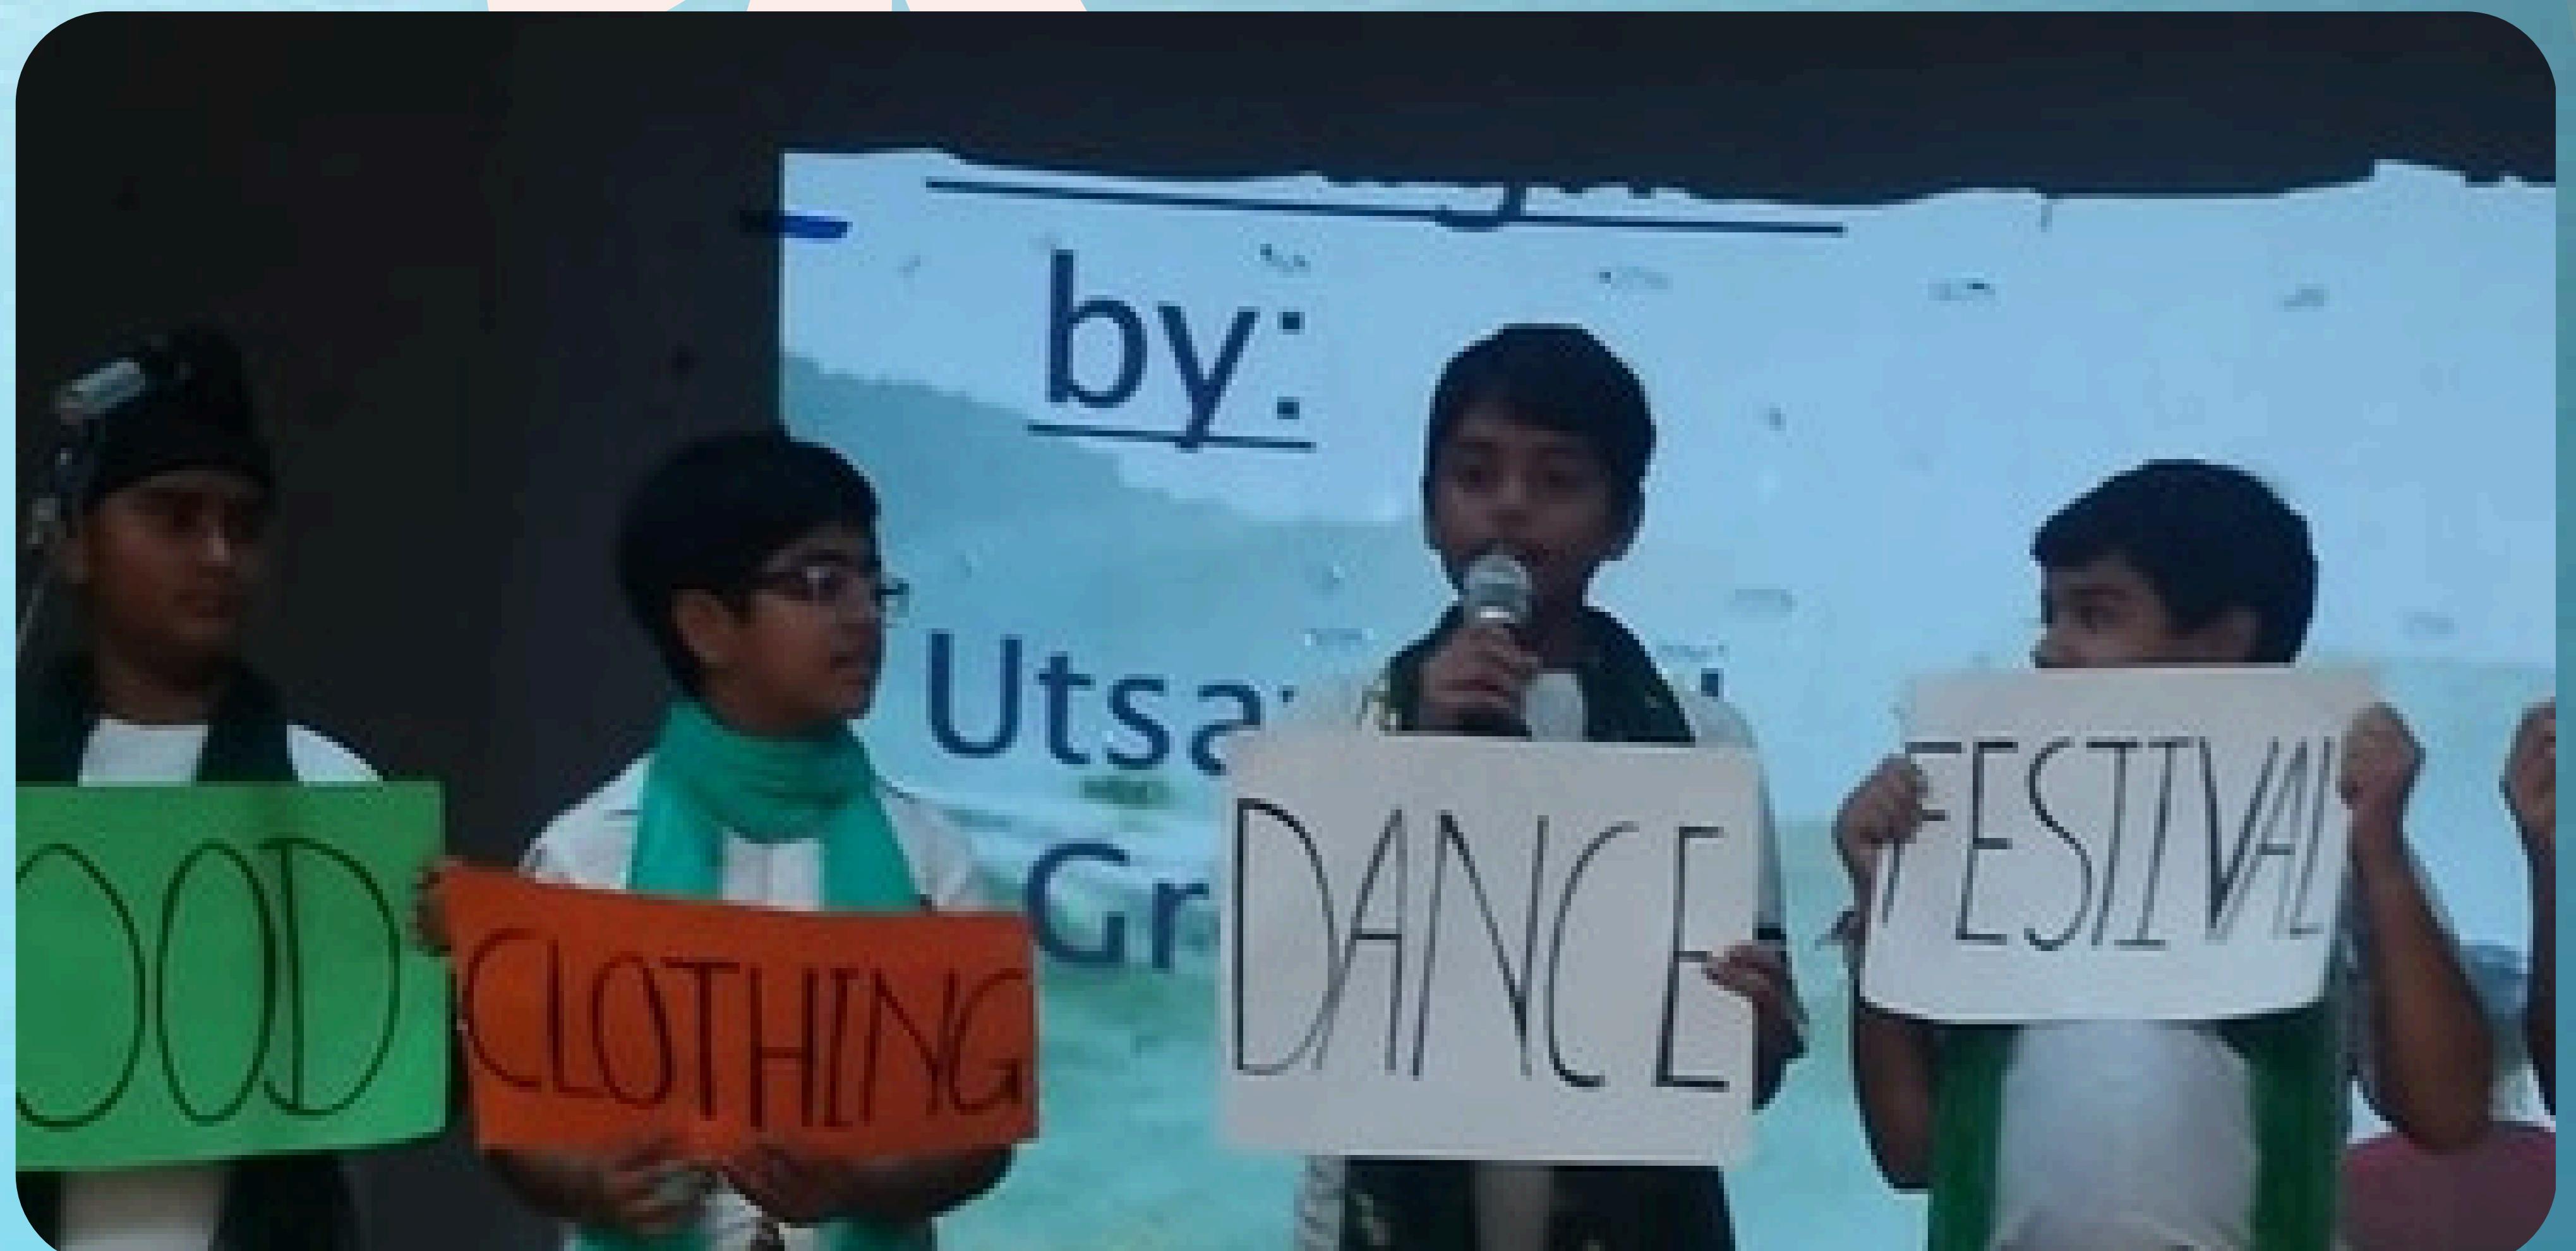

Class VII D Theme: "CULTURAL HERITAGE OF INDIA"

August 23, 2024

On August 23, 2024, the students of Class VII D conducted an educational program on the theme "Cultural Heritage of India". The event, organized under the guidance of Mrs. Kanika, emphasized India's rich cultural heritage and its diverse blend of languages, religions and traditions.

Through speeches, students highlighted the importance of preserving cultural landmarks like Mahabalipuram, the Sun Temple and Sanchi Stupa. Poems and a PowerPoint presentation further conveyed the message of India's unity in diversity. The event also included a skit and dance performance that added a creative touch.

The principal and faculty commended the students for their insightful presentation, underscoring the need for preserving India's cultural heritage for future generations. The program was a meaningful reflection on how democracy and cultural heritage are intertwined in shaping humanity.

Class VII E Theme : "Science, Technology and Mathematics for Nation Building"

August 31, 2024

On August 31, 2024, Class VII E of Dr. M.K.K. Arya Model School presented an assembly on the theme "Science, Technology, and Mathematics for Nation Building .The students showcased their talents through speeches, poems and a PowerPoint presentation, emphasizing the vital role of these subjects in shaping the future.

The assembly featured insightful speeches, a visual presentation and inspiring poems, all of which highlighted the transformative power of science and technology. The program was smoothly anchored by the students and concluded with a vote of thanks and feedback from their class teacher.

Ms. Meera Marwaha, Language and Activity In-charge, praised the students for their performance, while Ms. Anjali Diwan, Coordinator, encouraged them to continue exploring and applying their knowledge for societal advancement. The assembly was a great success, reflecting the students' creativity and critical thinking.

ACHIEVEMENTS: Congratulations to Our Karate Champions!

August 3-4, August 2024

Three students from Dr. M.K.K. Arya Model School excelled at the District Panipat Karate Championship held at M.A.S.D. Public School, Panipat on August 3-4, 2024.

Results:

**Mannat (XI B) - Gold
Medal**

**Kartik Kapoor (VIII
B) - Gold Medal**
**Lakshay (IX A2) -
Silver Medal**

Their hard work, dedication and exceptional skills have brought glory to our school.

Dr. M.K.K. Arya Model School Shines at the 7th Inter-State Music and Art Competition:

August 12, 2024

Our students have once again made us proud by securing top positions at the 7th Inter-State Music and Art Competition, hosted by Satyug Darshan Sangeet Kala Kendra on August 12, 2024, at the District-Level.

In a spectacular display of talent and creativity, our students achieved the following:

1st place in the Dance Competition

1st place in the Rangoli Competition

2nd place in the Music - Singing Competition

Their hard work and passion for the arts were evident throughout the event. These accomplishments led to the selection of our Dance and Rangoli teams for the State Level Programme, which was successfully held on August 16, 2024, in Faridabad.

This achievement reflects the outstanding efforts of both our students and teachers, who continue to strive for excellence and bring accolades to the school.

खेलों में डा. एमकेके आर्य मॉडल स्कूल के छात्रों ने लहराया जीत का परचम

Our school cricket team emerged as the champion in the School Cricket Tournament organized by the School Games Federation of India (SGFI) for the under-17 age group. Competing against 16 schools, our team showcased extraordinary skill and teamwork, culminating in a brilliant victory over Dayal Singh School, Panipat in the final match on August 22, 2024. Huge congratulations to our talented cricketers, coaches and the entire team for this remarkable achievement!

These victories are a testament to the hard work, dedication and sportsmanship of our students and the unwavering support of our coaches and sports team. School celebrates these outstanding achievements and remains committed to fostering excellence in sports!

Furthermore, Shubham Jaglan of Class XII B3 brought home a gold medal in the Javelin Throw, adding yet another feather to our school's sporting cap.

A Moment of Pride and Achievement

Garima, a dedicated student of Dr. M.K.K. Arya Model School, has made us immensely proud by securing admission to the prestigious Indian Institute of Technology Roorkee (IIT Roorkee) through the JEE Advanced 2024 examination. This remarkable accomplishment highlights her relentless dedication, hard work and determination to achieve academic excellence.

Her journey reflects the strong educational values imparted at the school, emphasizing both academic and personal growth. Garima's success serves as an inspiration for her fellow students, motivating them to dream big and work towards their goals with perseverance. Her achievement brings immense pride to the entire school community

Karate and Skating Champions soar at District Level

Parent -Teacher Meeting

On August 1, 2024, the school hosted a comprehensive Parent-Teacher Meeting (PTM), focusing on key areas of students' academic progress, the streamlined online fee submission process and the effective use of the ERP system.

Parents and teachers engaged in meaningful discussions to ensure seamless communication and a collaborative approach towards enhancing students' educational experiences.

THANK
YOU
